### PURPOSE

This rule establishes guidelines for the adoption of compensation and salary schedules by the College's District Board of Trustees.

### RULE

The District Board of Trustees will annually adopt and record in its minutes a salary schedule(s) to be used as a basis for paying members of the instructional staff and other College employees. Compensation for staff will be paid on the basis of these schedules. Any deviation from the approved schedules will require separate approval by the Board upon the recommendation of the President.

When it is determined that an incorrect amount has been paid to a College employee, the difference will be adjusted between the Board and the employee to the end that the employee will receive the amount he/she is entitled to under the Board approved salary schedule.
