### PURPOSE

This rule establishes policy regarding faculty, staff and program development projects at Hillsborough Community College.

### RULE

Hillsborough Community College is committed to faculty, staff, and program development. The College maintains a plan, reviewed and updated annually, to fund faculty, staff, and program development projects. The plan directly subscribes to and supports the purpose of the institution, its mission and its goals.

For the purposes of development, the following definitions apply:

- Staff development is the improvement of staff performance through activities which update or upgrade competence specified for present or planned positions. Staff includes all college employees.
- Program development is the evaluation and improvement of existing programs, including the design of evaluation instruments to establish bases for improvements, as well as the designing of new programs.
