

Student Satisfaction Survey Fall 2007

The purpose of this survey is to assess student satisfaction with the quality of HCC's programs and services. Your survey responses are totally anonymous unless you choose to identify yourself. Survey results will be applied to the College review of programs and services with the goal of continuous improvement. Click on the 'Next' button at the bottom of each screen to continue to the next set of items.

The survey contains a variety of multiple choice questions and many opportunities for you to provide comments. The survey is designed to ask questions based on your responses. It may appear to be longer than it is due to the branching that is used. The survey was designed to be able to be completed in 10 to 15 minutes.

The faculty and staff at Hillsborough Community College value student responses, and we wish to thank you for taking time to respond to this Student Satisfaction Survey.
