**Degree/Program Code AS.BUS.MAN - BUSINESS ADMINISTRATION
(A.S. to B.S.)**

SUGGESTED GUIDELINES FOR A.S. TO B.S. BUSINESS ADMINISTRATION MANAGEMENT (AS.BUS.MAN)

An Associate in Science degree that can articulate into a baccalaureate degree is allowed under the provision of the Florida State Board of Education rule 6A-10.024. This particular degree program can transfer into the following university degree programs:

A.S. Degree Program	University Degree Program	Total Hours of University Program
Business Administration & Mgmt.	Business, General (#52.0101)	120
Business Administration & Mgmt.	Bus Admin & Mgmt (#52.0201)	120

The universities for the 2008/2009 year that are offering the aforementioned university articulated degree programs are as follows:

1. Business, General - FSU*, UCF, USF* - *Limited Access
2. Business Administration & Management - FAMU, FAU, FGCU, FIU*, FSU", UCF, UF, USF*, UNF, UWF. - *Limited Access

The articulated A.S. in Business Administration & Management shall include:

- Twenty-four (24) hours of general education.
- The following courses are required: ENC 1101, ENC 1102 SPC 1600, 3 hours of Humanities, MAC 1105, ECO 2013, ECO 2023, & MAC 2233.
- Twelve (12) hours of additional common prerequisites, including ACG 2021, ACG 2071, CGS 1000, and STA 2023.
- Twenty-eight (28) hours in professional courses, with a maximum of 12 hours as "business-labeled" courses. All "professional" courses include business labeled courses and program requirements.

The baccalaureate in business, general or business administration and management shall include:

- 12 hours of general education remaining hours as determined by the receiving institution.
- Fifty-six (56) hours in professional and/or other courses required to complete the degree, forty-eight (48) hours of which may be "business-labeled" courses.
- Completion of CLAST by the time the student reaches 36 semester hours of upper division coursework at the senior institution.

All transferring student must meet the senior-institutions admissions requirements (e.g., the foreign language admissions requirements at the senior institution).

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Student should consult with an academic advisor in their major degree area.

NOTE: The following list of common prerequisite courses should be taken at the CC prior to transferring:

ACG 2021, ACG 2071, CGS 1000, ECO 2013, ECO 2023, STA 2023.

At UCF, ECO 3401 is an acceptable substitution for STA 2023, and MAC 2233.

Degree/Program Code AS.VET.TECH - VETERINARY TECHNOLOGY

This guide does not constitute a contract. It represents the minimum hours and course work you must complete to satisfy degree requirements. Additional preparatory courses may be necessary in reading, English, or mathematics, depending on your placement test scores. You must see an advisor or counselor your first term to determine which preparatory courses are required or to determine if any program revisions have occurred.

IP - In Progress
C - Completed Course

Students must apply for degree by the deadline date (see catalog for further details).

At this time, the CLAST is not required for an A.S. Degree; however, students planning to transfer to a state university must pass the CLAST.

Students transferring to a four-year university should consult an advisor to determine which courses are appropriate for university transfer.
