FINANCIAL AID DISTRIBUTION INFORMATION FALL 2009

FOR STUDENTS WHO ARE NOT ON FINANCIAL AID SUSPENSION

TUITION:

For students that qualify for the Federal Pell Grant award, the grant will first be credited toward your outstanding tuition cost for the FALL 2009 Term. If you do not qualify for the Federal Pell Grant and processed a Federal Stafford Loan, the loan funds will be used first to pay your FALL 2009 tuition. **The available Pell & Stafford Loan balances are contingent upon you not being placed on Financial Aid Suspension at the end of the Spring 2009 Term or your last enrollment at HCC.** The amount on your Award Notice for the Pell Grant will decrease if you will not enroll for 12 or more credit hours. Visit your Financial Aid Office to inquire about your actual Pell Grant Award.

BOOK CHARGES:

If Federal Pell Grant or Stafford Loan funds are available after tuition and fees are paid for the FALL term, and the funds are available by August 14, 2009, you may qualify to charge the purchase of your books from your Pell Grant or Stafford Loan accounts. For those who qualify, you may ***purchase books at HCC campus Bookstore beginning on August 18, 2009 to August 28, 2009.*** **THE LAST DATE YOU MAY CHARGE BOOKS IS AUGUST 28, 2009.**

The maximum amount you may charge if funds are available is contingent upon your enrollment status:

- Up to \$650.00 with 12 or more credit hours, or
- Up to \$500.00 with 9 to 11 credit hours, or
- Up to \$325.00 with 6 to 8 credit hours.

If you are ***enrolled for less than 6 credit hours***, contact your campus Financial Aid Office to determine your eligibility to charge books. **IF YOUR ENROLLMENT CHANGES AFTER BOOKS ARE CHARGED, YOU MAY OWE A BALANCE BACK TO THE COLLEGE. PLEASE CONTACT YOUR FINANCIAL AID OFFICE FOR ASSISTANCE.**

- ✓ *Florida Student Assistance Grant refund date is September 25, 2009.*
- ✓ *Academic Competitive Grant and the First Generation Scholarship* awards will be issued to students' Higher One cards 14 days from the date awarded.

PELL GRANT AWARDS

For the Pell grant program, the college is able to pay for all classes enrolled for the term. **However, if the student drops a course or the class is cancelled and the Pell Grant or Stafford Loan is used to pay for the class, the student will have to return any excess funds distributed.**

STAFFORD LOAN AWARDS

For the Stafford Loan program, students are allowed to use their Stafford Loan funds on August 18th as long as 6 credit hours of classes start on August 24, 2009. Otherwise, students' **Stafford Loan checks will be distributed on the start date for which 6 credit hours of classes begins.**

COLLEGE WORK STUDY AWARDS

As long as the student has unmet financial aid need eligibility, enrolled for 6 credit hours in the Fall 2009 term and not on financial aid suspension, the student should qualify to work under the Federal Work Study program. Students may begin working on August 14th. The students start date for working is not tied to the beginning date of the 6 credit hours. However, if the student drops below 6 credit hours, the student is no longer eligible to work under the Federal Work Study program

If you have any questions, please contact your campus Financial Aid Office.

Thank you.
