² The purchase price for Class A, B & C uniforms depends on size and quantity ordered.

³ The purchase price for a new handgun can range from \$300.00 to \$700.00 depending on the manufacturer, model number, and caliber. All handguns must be approved by the College for use in the officer training programs. Certain restrictions apply. Applicants should obtain approval from the College before purchasing a handgun for training.

⁴ The purchase price for a new holster and duty belt can range from \$60.00 to \$300.00 depending on the manufacturer, retention level of holster and type of finish (nylon, leather, simulated leather, plain or basketweave). All holsters and duty belts must be approved by the College for use in the officer training programs. Certain restrictions apply. Applicants should obtain approval from the College before purchasing a holster and duty belt for training.

⁵ The purchase price for handgun ammunition can range from \$171.00 to \$500.00 per 1,000 rounds depending on the manufacturer and caliber. Two rounds of ammunition are required. Students have the option of using new ammunition or factory reloaded ammunition. All handgun ammunition must be approved by the College for use in the officer training programs. Certain restrictions apply. Applicants should obtain approval from the College before purchasing any ammunition for training.
