

SouthShore Campus Advisory Council
Meeting Highlights
May 7, 2010

- Congratulations to our new Chair and Co-Chair for the 2010 – 2011 Academic Year. Floyd Ballard is the new chair and Matthew Williamson will serve as the co-chair
- The CAC by-laws have been revised. Well done to Carlos Ortiz, Peggy Gleason, and Matthew Williamson for tackling this project. The by-laws will be posted to the CAC website before the start of the new academic year.
- The campus advisory council is growing in number, but we are still looking for more student representation. If you are a student who is interested, please contact any CAC member for more information or if you know of a student that may be interested, please invite them to the next CAC meeting.
- SouthShore continues to grow and has sought approval for the addition of more portable classrooms to accommodate this growth.
- Medical Billing and Coding comes to SouthShore. This program will start in Fall 2010.
- Flyers have been put up on campus to encourage us all to 'Say something if we see something'. If you see anything, please notify our public safety officers.
- This summer, representatives from areas of administration, staff, faculty, and students will be working on the food service issues at SouthShore.
- Do you have suggestions and/or concerns about Southshore? Please use the online suggestion box at <http://www.emailmeform.com/builder/form/547287>. All items will be discussed during the CAC meetings or as received during the summer months.

The Campus Advisory Council will not meet during the summer months of June, July, or August. Our next meeting will be in September. Stay tuned for meeting announcements to be sent out in August.

Have a Great Summer!
