## Kurt Piazza: “The Future Belongs to Ghosts” at HCC-Ybor City Campus January 6-28

Hillsborough Community College’s Ybor Campus Art Gallery will present the exhibition ***The Future Belongs to Ghosts*** by artist **Kurt Piazza** January 6-28. An **Opening Reception** will take place **Thursday, January 13, 5:30 pm - 8pm** with a **Gallery Talk** about his work at **7pm**. The gallery is located on the first floor of the Performing Arts Building. Both events are free and open to the public.

Prior to the reception on January 13 at 11:30am, Piazza will present a special gallery discussion for HCC students and

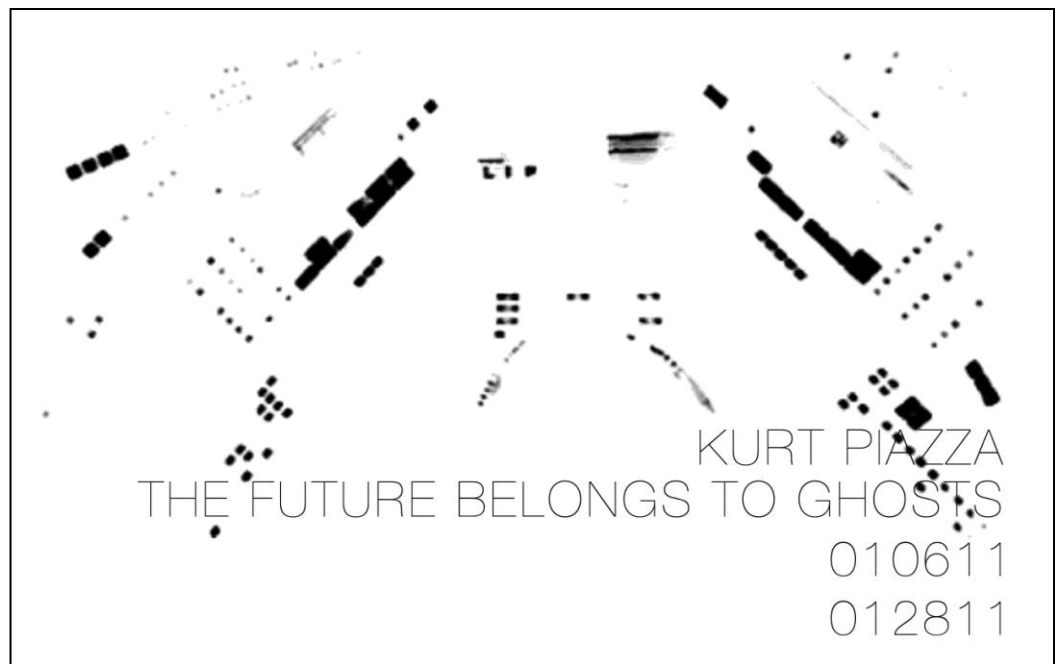

faculty about his work in the Ybor gallery. This artist talk is also free and open to the public. Guests are welcome.

*The Future Belongs to Ghosts* is an exhibition exploring twentieth-century philosopher Jacques Derrida’s notion of the technological image as an apparition of the future, and the “night light” radiated by these images reproduced in our absence. Dealing with the ideas of phenomenality, spectrality, and phantomality, Mr. Piazza presents an exhibition consisting of black and white artworks, including

videos and large-scale xerox prints.

Piazza holds a Bachelor’s Degree in Electronic Media from the University of South Florida, and has exhibited his work at Pool Art Fair, Art Basel, Miami Beach and was included in the exhibition, *The Fusion of Art & Technology*, at California State University, Fresno.

Gallery hours are Mon and Weds-Fri 10am to 4pm and Tuesdays noon to 7pm. For further details please contact Carolyn Kossar, 813.253.7674, [ckossar@hccfl.edu](mailto:ckossar@hccfl.edu).

# MONICA BILL BARNES & Company

*Monica Bill Barnes (is) the  
downtown darling.  
-The New Yorker*

**January 20 - 22nd  
@ 7:30 pm**  
Mainstage Theater  
\$10 General Admission  
(HCC Faculty, Staff & Students FREE with ID)

*The company is committed to creating dance that realizes her vision and bringing it to the public through annual performances in New York, touring, artistic residencies and various teaching opportunities. Its mission is to celebrate individuality, humor and the innate theatricality of everyday life.*

*Barnes (is) one of the wittiest young choreographers around.  
-The Village Voice  
(Deborah Jowitt)*

*“There's a reason comedy and dance are rarely paired. But Barnes is the mistress of such mischief and has the technical dance ability to make it all work. She breaks all the rules, but also tempers the clowning around with enough darkness and pity to make us care.”*  
-San Diego Arts (Kris Eitland)

*“Barnes has made zippy and understated magic. When we were pretty specializes in comic gangliness ... but when Lydia Martin stands on a chair and, sings with absolute, childlike faith, as if she meant the words for her mother, it's hard to imagine anything prettier.”* - The New Yorker (Apollinaire Scherr)

## Children Begin the New Year with Gifts from HCC-Ybor City Campus “Secret Santa”

The children at the HCC-Ybor City Campus Child Development Center started the New Year with the glow that remained from their interaction with the campus' own “Secret Santa”

On December 8th, the elves for the Ybor Campus Secret Santa delivered gifts to the Child Development Center. There were squeals of delight and a lot of smiles and laughter. The Child Care Instructors give the elves a list of suggested gift ideas. It is up to the elves to do the shopping and fulfill the list. Afterwards, well, the pictures tell the whole story.

Dr. King on love  
and justice –*

*“Hatred paralyzes  
life; love releases it.  
Hatred confuses  
life; love  
harmonizes it.  
Hatred darkens  
life; love illuminates  
it.”*

*“I believe that  
unarmed truth and  
unconditional love  
will have the final  
word in reality.  
That is why right,  
temporarily  
defeated, is stronger  
than evil  
triumphant.” –
