Ybor Festival of the Moving Image Set For March 23-27

Hillsborough Community College-Ybor City Campus presents the 9th annual Ybor Festival of the Moving Image (FOMI), Wednesday, March 23 through Sunday, March 27, 2011.

Florida author - filmmaker Bill Belleville in his canoe

The ninth annual event continues to bring to Tampa an eclectic spectrum of non-traditional uses of motion media, including video sculpture and installations, performances and unique work by very independent filmmakers, plus documentaries, workshops, lectures and surprises.

All the venues and events take place in the HCC Performing Arts Building, 2112 North 15th Street, Tampa.

FOMI brings to the mix new work by NYC performance artist Pat Oleszko; plus the *DIGITAL LOUNGE SHOW*, a group of video sculptures, installations and international short films looping in the HCC Art Gallery; Tampa filmmaker Victoria Jorgensen will screen *THE EVENING ROOM*, a preview of her new film shot in Tampa Bay. Artist/author Margaret Ross Tolbert and others will share work about Florida.

NYC performance artist Pat Oleszko, with a nod (and wink) towards the fest's unofficial theme, *water*, is creating two works for the fest; *the slime of the recent marinade with other unnatural acts to foul*, and an installation: *the quit draggin' and the see change*. Margaret Ross Tolbert will present films and a lecture based on her book *AQUIFERious*, and also a program with Florida author/filmmaker Bill Belleville titled, *Springs Eternal?*, concerning Florida freshwater springs.

On opening night, Wednesday, March 23, a reception for the *Digital Lounge Show* will be held in the HCC-Ybor Art Gallery, 5:30-8:00pm.

Video installations by Francesca Talenti from North Carolina are complimented by a fresh collection of digital works by 20 international independent filmmakers.

At 7:30 pm on the HCC Mainstage, the Atlantic and Pacific Award winners will be screened. More screenings will be held outdoors at New World Brewery, 9:00-11:00pm. Free and open to the public. Note: the gallery will be open all hours of the fest.

Sunday, March 27, 2:00-6:00pm, the Silver Meteor Gallery in Ybor City will screen a *Best Of* shorts program of festival winners and audience favorites. \$5.00 2213 East 6th Avenue, Tampa, 33605. 813-300-3585.

The festival is open to the public. All venues are at Hillsborough Community College Ybor City Campus, in the HCC Performing Arts Building, 2112 North 15th Street, Tampa, 33605.

Ticket prices range from free to \$10.00 depending on venue and event.

From Bryant & Stratton College – “Mastering the skill of listening is a direct link to earning excellent grades. A general misconception is that listening is hearing. Listening takes energy and concentration. The majority of us are poor listeners because we cannot stay focused on the speaker or the topic. Mistakes on exams, interviews and personal relationships come from poor listening skills”
