**Degree/Program Code AS.BUS.MAN - BUSINESS ADMINISTRATION
(A.S. to B.S.)**

SUGGESTED GUIDELINES FOR A.S. TO B.S. BUSINESS ADMINISTRATION MANAGEMENT (AS.BUS.MAN)

An Associate in Science degree that can articulate into a baccalaureate degree is allowed under the provision of the Florida State Board of Education rule 6A-10.024. This particular degree program can transfer into the following university degree programs:

A.S. Degree Program	University Degree Program	Total Hours of University Program
Business Administration & Mgmt.	Business, General (#52.0101)	132
Business Administration & Mgmt.	Bus Admin & Mgmt (#52.0201)	132

Associate in Science in Business Administration to a Baccalaureate in Business, General (CIP 52.0101) or Business Administration and Management (CIP 52.0201)

The Associate in Science in business administration shall include:

- 1- Twenty-four (24) hours in general education, including ENC X101, ENC X102, SPC X600, 3 hours of Humanities courses, MAC X105, ECO X013, ECO X023, and MAC X233 or X230;
- 2- Twelve (12) additional hours in common prerequisites, including ACG X021 or the combination of ACG X001 and ACG X011, ACG X071, CGS X100, and STA X023 or QMB X100;
- 3- Twenty-eight (28) hours in professional courses.
Of the twenty-eight hours in professional courses, a maximum of twelve (12) hours will be "business-label" courses. All business-label courses and program prerequisites shall be taught in accordance with the Southern Association of Colleges and Schools Commission on Colleges criteria for programs designed for college transfer.
- 4-

The baccalaureate in business, general or business administration and management must include:

- 1- The remaining twelve (12) hours in general education as determined by institutional requirements.
- 2- Fifty-six (56) credit hours in professional and/or other courses required to complete the degree, forty-eight (48) hours of which may be "business-label" courses;

A total of sixty-four (64) credit hours taken for the Associate in Science degree will transfer and apply towards the baccalaureate degree.

The total hours for the AS to BA/BS articulated degree shall be no more than 132 credit hours.

Substitution of lower- for upper-level courses

Although lower level courses from the AS to BS degree must be accepted by the bachelor's program under the terms of the agreement, any decisions regarding the substitution of lower-level courses for specific upper-level courses will be at the discretion of the receiving institution. The total number of hours for the articulated degree shall be no more than 132 hours.

AS to BS Business Administration Worksheet Summary

**University: Business, General – CIP 52.0101: UCF, USF;
Business Administration & Management – CIP 52.0201: FAMU, FAU, FGCU, FIU, FSU, UF, UNF, UWF**

Requirements

	<u>Credit Hours</u>
General Education (As determined by institutional requirements)	12
Courses required to complete degree (48 hours of which may be "business-label courses")	56
Total University	68
AS/BS Business Administration Program Total Hours	132

$$[64 \text{ Hrs. AS}] + [68 \text{ Hrs. University}] = 132 \text{ Credit Hours}$$

Students must apply for a degree by the deadline date (see catalog for further details).

Students may apply for the State of Florida's staff credential following graduation.

HCC provides training for the non-credit Early Childhood Professional Certificate, a DCF and DOE approved pre-school staff credential. The Early Childhood Professional Certificate is based upon eight child care content areas. Preparation includes 45 hours of State-mandated training, child care curriculum coursework, 480 hours of direct work with children 5 years of age or younger, and preparation of a professional resource portfolio. Individuals interested in obtaining the ECPC should contact the program manager.

**Degree/Program Code AS.EET.UNIV - ELECTRONICS ENGINEERING TECHNOLOGY
(A.S. to B.S.)**

SUGGESTED GUIDELINES FOR A.S. TO B.S. Electronics Engineering Technology (AS.EET.UNIV)

This Associate in Science degree programs shall articulate into a baccalaureate degree in the designated university programs under the provisions of Rule 6A-10.024.

A.S. Degree Program	University Degree Program	Total University Program Hours
Electronics Engineering Tech.	Electronics Engineering Tech #15.0303	134
Electronics Engineering Tech.	Engineering Tech. General #15.1101	134

Associate in Science in Electrical Engineering Technology to a Baccalaureate in Electronic Engineering Technology (CIP 15.0303) and Engineering Technology General (CIP 15.1101) Track 2: Electrical

The articulated Associate in Science in Electrical Engineering Technology shall include:

- 1- Twenty-two (22) credit hours of general education including the following designated courses or an approved general education course in the designated discipline: MAC X105, PHY X048/X048L or PHY X053C(4), six (6) hours in Communication to meet the Gordon Rule requirement, six (6) hours in Social Science, three (3) hours in Humanities; and
- 2- Thirty-eight (38) hours in technical core courses; and
- 3- Eight (8) hours in technical electives courses.

The baccalaureate in Electronic Engineering Technology shall include:

- 1- The remaining thirteen (13) hours of general education to be taken at the university level and including PHY X049/X049L or PHY X054C(4), MAC X311 or equivalent; and other general education courses as determined by institutional requirements; and
- 2- Four (4) hours in MAC X312 or equivalent; and
- 3- Forty-eight (48) hours of engineering technology core courses.

The total hours for the AS to BS articulated degree shall be no more than 134 credit hours.

AS in EET to Baccalaureate Degree in EET Worksheet Summary

- 1- University and Community College Faculty Committee met and agreed to propose a 68 credit hour AS program and a 66 credit hour university program leading to a 134 credit hour AS/BS program.
- 2- The community colleges and universities agree to the described Associate in Science program with 22 hours of general education at the Community College level and 14 hours of general education at the university level. The math (including technical math) and communications will be transferable as long as they meet the requirements of the Gordon Rule.
- 3- The Bachelor of Science program will include a total of 66 hours and will be offered at the university level, including general education, Technology Core, Technology Specialization and Technical Electives. University programs will have to be modified to meet this program length requirement.

HOSPITALITY AND TOURISM MANAGEMENT (A.S. to B.S.)**

SUGGESTED GUIDELINES FOR HOSPITALITY & TOURISM MANAGEMENT (AS.HFT.RESH)

An Associate in Science degree that can articulate into a baccalaureate degree is allowed under the provisions of the Florida state board of Education rule 6A-10.024. This particular degree program can transfer into the following university degree programs:

AS DEGREE PROGRAM	UNIVERSITY DEGREE PROGRAM	TOTAL HOURS OF UNIVERSITY PROGRAM
Hospitality & Tourism Management	Hospitality Administration/Management (#52.0901)	124

Associate in Science in Hospitality & Tourism Management to a Baccalaureate in Hospitality/Administration/Management in programs not accredited by AACSB (CIP 52.0901)

The Associate in Science in Hospitality & Tourism Management shall include:

- 1- Eighteen (18) credit hours of general education, which shall include ENC X101 and ENC X102;
- 2- Forty-six (46) credit hours in technical courses, including the common prerequisite HFT X000;

The baccalaureate in Hospitality Management shall include:

- 1- The remaining eighteen (18) hours of general education;
- 2- Forty-two (42) credit hours in professional courses.
- 3- The total hours for the AS to BA/BS articulated degree shall be no more than 124 credit hours.

Sign Language Interpretation Program - Experiential Credit Option

Individuals who have earned National Certification from the Registry of Interpreters for the Deaf (RID) and have proof of said certification and proof of current membership in good standing with RID are eligible to receive the follow the Experiential Credit Option to earn the Sign Language Interpretation AS or AAS degree.

Program Credits awarded for Experience: (18 Credit Hours)				
*INT	1941	Interpreting Practicum	2	
*INT	2200	Interactive Interpreting I	3	
*INT	2200L	Interactive Interpreting I Lab	2	
*INT	2201L	Interactive Interpreting II Lab (Lab Only)	3	
*INT	2210L	Interactive Transliterating Lab (Lab Only)	2	
*INT	2231L	Amer. Sign Language to Spoken English Interpreting (Lab Only)	3	
*INT	2400	Educational Interpreting	2	
*INT	2400L	Educational Interpreting Lab	1	

Credit-by-exam can only be taken once per course and must be passed with a score of 75 or above to receive "S" (satisfactory) for credit. If the student fails the exam or does not receive an "S" (score of 75) or better the student must then register for and take the course when it is offered within the regular program sequence.

Courses Allowed for Credit-by-Exam (18 Credit Hours)				
*ASL	1140C	American Sign Language I	4	
*ASL	1150C	American Sign Language II	4	
*ASL	1430	Fingerspelling	2	
*ASL	2130C	American Sign Language III	4	
*ASL	2210C	American Sign Language IV	4	

Only those individuals who are following the experiential credit option for a degree are eligible to take the credit-by-exam for the ASL II through ASL IV courses and labs (ASL 1150, ASL 1150L, ASL 2130, ASL 2130L, ASL 2210, ASL 2210L, ASL 1430), and the Fingerspelling course. The credit-by-exam for ASL I and ASL I Lab (ASL 1140, ASL 1140L) is not restricted to the experiential credit option.

Experiential credit option seeking students must also complete or transfer from an accredited source (at a "C" or better) the following:

All general education program requirements and the following program specific courses:

*ASL	1300C	Structure of American Sign Lang.	4	
*ASL	1510	Introduction to Deaf Culture	3	
*INT	1941	Interpreting Practicum	2	
*INT	2130	Introduction to Interpreting Ethics	3	
*INT	2930	Interpreting Topics	2	
*INT	2942	Interpreting Internship	3	
SPA	2001	Survey of Comm. Disorders	3	

To receive the degree from HCC at least 18 credit hours of coursework must be completed at HCC.

Note: Graduates from this AS degree program shall be granted admission into the interpreter training concentration of the Communication Sciences and Disorders baccalaureate degree program at the University of South Florida.

HILLSBOROUGH COMMUNITY COLLEGE

LIMITED ACCESS PROGRAM Application Deadline May 17th - For Fall Entry

ACADEMIC ADVISING GUIDE ♦ ASSOCIATE IN SCIENCE ♦ 2011/2012

Degree/Program Code AS.VET.TECH - VETERINARY TECHNOLOGY

This guide does not constitute a contract. It represents the minimum hours and course work you must complete to satisfy degree requirements. Additional preparatory courses may be necessary in reading, English, or mathematics, depending on your placement test scores. You must see an advisor or counselor your first term to determine which preparatory courses are required or to determine if any program revisions have occurred.

In addition to HCC Applications, a separate application for the Veterinary Technology program (www.hccfl.edu/departments/vet-tech.aspx) is also required. There is a \$30 Vet Tech application fee that is non-refundable. Applications are due to the Admissions Student Services Manager's (Nicole Hamilton) office at the Plant City Campus before the deadline date.

Accepted applicants will also be required to attend a mandatory orientation; the time and place will be specified in the acceptance letter. Applicants who are not accepted are required to reapply for future consideration.

GENERAL EDUCATION REQUIREMENTS (18 HOURS)

PREREQUISITE COURSES (12 HOURS)

Students must have completed 12 of 18 credit hours of general education requirements with a grade of "C" or greater in each course prior to application deadline. The required Gen Ed courses are below.
