

## Opticianry Program Textbook Information

**READ ALL THE FOLLOWING INFORMATION (even if you have used this website before)**

***PLEASE ORDER AND PAY FOR YOUR TEXTBOOKS PRIOR TO THE START OF CLASSES EVERY SEMESTER.***

ALL Opticianry Textbook and Course Pack Orders are now processed directly through the HCC Bookstore.

The bookstore has worked with us (the OPT Program) to streamline the ordering process for our Students. **\*\*\*ALL OPTICIANRY PROGRAM TEXTS AND COURSE PACKS CAN NOW BE FOUND EXCLUSIVELY UNDER "DALE MABRY CAMPUS"\*\*\***

There is no longer any need to "switch campuses" (per your section classification of On-campus or eLearning) to find your textbooks. The Bookstore has classified all our texts and course packs under Dale Mabry Campus.

**Starting immediately- use only Dale Mabry Campus selection to find your texts and course-packs. Thank you for your immediate attention to this change in procedure.**

The Textbook Ordering Instructions are posted on the Textbook Information page. Print the Textbook List by Course Number and the Textbook Ordering Instructions for reference before you begin. Order the appropriate texts and course packs per the textbook list. The Textbook List presents the required texts and course packs for each OPT course. If you have previously purchased a textbook for an earlier class- you do not have to re-purchase the book. Course Packs are required for EVERY Opticianry Course.

Once you go to the Bookstore Website (from the link in the Instructions Document) choose the Dale Mabry Campus- then follow the Bookstore Account Registration Instructions. Once you create your Bookstore Account you will be able to order and pay for your textbooks online. The textbooks and course packs will be delivered to you through UPS.

**Financial Aid Orders:** Students receiving Financial Aid to pay for their texts must be sure that their orders are placed between specific dates. Financial Aid balances are dispersed to the Student's HCC One Card after the beginning of the semester. Please review the College Calendar or contact the Financial Aid Office for these important deadlines. Purchases can be made using the HCC One Card once the card has received the balance of the Student's Financial Aid. Please contact the HCC Financial Aid Office with any questions about your account.

***\*\*Financial Aid payments for textbooks cannot be process through the online system. Please contact Jim Reese prior to placing your textbook order if you intend to use a funding account.***

\*\*UPS requires that shipments be signed for- so be sure someone is available to sign for your package from the HCC Bookstore.

If you have any questions about this procedure- please contact Jim Reese by email at [jreese@hccfl.edu](mailto:jreese@hccfl.edu) Title your email **TEXTBOOKS- OPTICIANRY**
