

STUDENT PUBLICATIONS

Student publications and the student press are valuable aids in establishing and maintaining an atmosphere of free and responsible discussion. The College requires that its student publications staff adhere to responsible journalistic practices. The Canons of Journalism, the Advertising Code, and the Advertising Standards of Acceptability serve as external standards for which the editors and staff of the student publications at HCC strive.

NEWSPAPER

The *Hawkeye* is HCC's student newspaper. Published regularly, the paper is staffed by students from all campuses and receives assistance from a faculty advisor. The newspaper is free.

GALERIA

The *Galeria*, HCC's literary-arts magazine, is published annually under the supervision of a faculty advisor. The *Galeria* has a staff of student volunteers, and students from all campuses contribute the material published. The magazine is free to all HCC students.

TRIAD

The *Triad*, HCC's general magazine, is published annually under the supervision of a faculty advisor. Volunteer journalism students staff the *Triad* and the magazine is free.

STUDENT SUPPORT SERVICES PROGRAM

Student Support Services (SSS) is one of the federal TRIO Programs that provide a variety of academic support services to eligible disadvantaged students. Comprehensive support services enhance and improve the retention, graduation and transfer rates of the program's participants from HCC. Additional transfer services are available to participants who qualify to transfer to 4-year colleges and universities.

All full-time and part-time disadvantaged students enrolled at any of the College's campuses, learning centers or off-campus instructional sites, who qualify under the broad criteria, can apply for admission to the Student Support Services Program.

STUDENT UNION FACILITIES

Student union facilities are open to all students. These facilities usually house offices for the SGA and areas in which students can meet. Students can find the location of campus student union facilities by contacting the campus Student Government Association (see College Directory section of this publication).

TEST CENTERS

Test Centers, located on all campuses, administer faculty make-up, placement, and counseling-related tests. Before being allowed to take tests, students must show two forms of identification. One form of identification must be a government-issued photo ID.

Disabled students who require alternative testing arrangements must contact an HCC coordinator of services for students with disabilities.

Students using unauthorized or inappropriate materials and students who conduct themselves inappropriately in a test center will be denied future testing privileges in the center and may be subject to college disciplinary action.
