

STUDENT CLUBS AND ORGANIZATIONS

POLICY FOR FORMING CLUBS AND ORGANIZATIONS

Student clubs and organizations can be formed on any campus, according to HCC policies and procedures.

The following guidelines apply:

1. Students who wish to form a club or organization should contact the campus Student Activities Advisor for help in completing the required forms.
2. Each approved student club and organization operates as a member of the HCC community, with the associated privileges and responsibilities.
3. If the College President finds that the behavior of the members of a student club or organization is inimical to the goals of the College, the President may recommend to the District Board of Trustees that the club or organization be suspended or terminated.

RESPONSIBILITIES OF ORGANIZATION ADVISORS

Each student organization must have at least one advisor who is a full-time HCC employee. The advisor's duties and term of office must be specified in the organization's constitution. The Campus President or his/her designee must approve advisors.

Advisors may guide but should not interfere with the operations of clubs or organizations unless their activities violate HCC policies or procedures.

Those serving as advisors to student organizations must meet the following responsibilities:

- attend all official meetings;
- participate actively in formulating group policies and programs;
- ensure the organization maintains standards of good taste and conduct;
- ensure the organization operates in concert with HCC's purpose and goals; and
- approve organizational expenditures and ensure the organization's financial records are properly maintained.

RESPONSIBILITIES OF THE STUDENT ORGANIZATIONS TO ADVISORS

In their relationships with their advisors, student organizations must exhibit the following behaviors:

- in advance, informing the advisor of all meetings; and
- holding regular conferences with and seeking the counsel of the advisor.

STUDENT GOVERNMENT ASSOCIATION

All students are members of the Student Government Association (SGA). The SGA is the medium through which students can actively participate in the programs and policy-making procedures of the College. It serves as the means of communication between students and the administration.

It is the goal of the college to have a SGA established for each campus. Each campus will have its own Executive Officers and Legislative Branch. It is hoped that this will create an atmosphere of participatory student governance that will result in greater student participation in student clubs and organizations as well as in student government.
