Admission Information & Instructions

Application

The application must be completed and submitted to the campus of your choice with the non-refundable \$20 application fee (check or money order made payable to Hillsborough Community College). If you have not attended HCC for one or more academic years, you are required to resubmit an application in order to update your student file. **There is no fee for readmission.**

Applicants for the **Nursing, Health Sciences Program or Honors Institute** must submit a separate application in addition to the HCC Application for Admission.

International students (those students entering the U.S. on an F-1 Visa) must submit their application packets at least three months prior to the term of expected enrollment. Contact the Admissions Office of the campus you plan to attend.

Transcripts

You are responsible for ensuring that official copies of your high school transcript or GED scores, and official copies of your transcript(s) from all postsecondary schools you have attended are submitted to the College. You should request that your high school transcripts or GED scores be sent to the appropriate campus Office of Admissions, Records, and Registration. If you previously attended a postsecondary institution, request that transcripts from all postsecondary schools you have attended be sent to the Transcript Office, P.O. Box 31127, Tampa, FL 33631-3127. **You will not be eligible for financial assistance, veterans, or other benefits until you have provided all official transcripts.**

Placement Tests

If you are entering college for the first time, you are required to take the Florida College Entry-Level Placement Test unless you can provide ACT or SAT official scores taken within the last two years. (These tests will be used for placement purposes only.)

Residency Statement

All applicants must complete and sign the Florida Residency Statement on the back of the Application for Admission. Failure to do so will result in your being classified as an out-of-state student and result in your paying higher tuition. All supporting documents must be received before a residency decision can be made.

Financial Aid

To apply for financial aid, contact the Financial Aid Office located on your campus.

Veterans' Benefits

To apply for veterans' benefits, contact the Admissions, Registration, and Records Office on your campus.

RESIDENCE CLASSIFICATION

A Florida "resident for tuition purposes" is a person who has, or a dependent person whose parent or legal guardian has, established and maintained legal residence in Florida for at least 12 consecutive months. Residence in Florida must be for the purpose of establishing a permanent home and not merely incident to enrollment at an institution of higher education. Other persons not meeting the twelve-month legal residence requirements may be classified as Florida residents for tuition purposes only if they fall within one of the limited special categories authorized by the Florida Legislature and Board of Regents. All other persons are ineligible for classification as a Florida "resident for tuition purposes".

To qualify as a Florida resident for tuition purposes you must be a U.S. citizen, permanent resident alien, or a legal alien granted indefinite stay by the Bureau of Citizenship and Immigration Services. Living in or attending school in Florida will not, in itself, establish legal residence. Students who depend on out-of-state parents for support are presumed to be legal residents of the same state as their parents. Documents supporting the establishment of legal residence must be dated, issued, or filed 12 months before the first day of classes for the term for which a Florida resident classification is sought. A copy of your most recent tax return or other documentation may be requested to establish dependence/independence.

- DEFINITIONS:**
- (A) **DEPENDENT:** A person for whom 50% or more of his/her support is provided by another as defined by the Internal Revenue Service.
 - (B) **INDEPENDENT:** A person who provides more than 50% of his/her own support.

NON-FLORIDA RESIDENTS ONLY

I understand that I do not qualify as a Florida resident for tuition purposes for the term which this application is submitted and that if I should qualify for a future term, it will be necessary for me to file the required documentation prior to the beginning of the term in order to be considered for Florida residency classification.
