General Education Requirements: <u>Group I - Communications and Humanities</u> From: To: <u>Group II - Mathematics and Natural Science</u> From: To: <u>Group III - Social Sciences</u> From: To: Program Specified Elective(s) AS or AAS Degree only: From: To:			General Education Requirements: <u>Group I - Communications and Humanities</u> <u>Group II - Mathematics and Natural Science</u> <u>Group III - Social Sciences</u> Program Specified Elective(s) AS or AAS Degree only:	
Program Requirement Changes: From: From REA 2505 To: Delete from Program no longer needed in program curriculum			New (title only) and or Existing Courses (course prefix/number):	
Total Current Credit or PSAV Clock Hrs. From: 72 To: 72			Total New Credit or PSAV Clock Hrs.	
Rationale for New Program, Change in Program or AA Emphasis, Request for Deletion or Request for Moratorium (Please indicate how the proposal supports the college's mission and goals). To provide SLIP students with more time in skill building courses, REA 2505 is being deleted from the program and the credits redistributed throughout other program courses. The program change is requested to align with requirements for transfer into four year colleges and universities.
