Welcome to CampusCruiser Update!

CampusCruiser Update is a new service to assist in your college's adoption of CampusCruiser! We will provide you with a monthly glimpse into some key data regarding your portal, insight into other information, and only one article a month!

Please note that the Unique Logins does NOT equal the sum of the populations listed! This is because Admin logins are not counted in the total.

Personal Page Hits include all the personal pages, such as email, calendar, files, etc.

Classes Hits include all Class-related page types.

For those using Single SignOn (SSO)

options, the Services Tab summarizes end user accesses to your other systems through your portal.

Please let us know how you like the format, and what other data you'd like to see regularly by emailing dlustig@timecruiser.com. This will be a work in progress for a few months, so keep those cards and letters coming!

CampusCruiser Reliability: Sept

CampusCruiser was available 99.79% in September, measured 24x7, and including our scheduled maintenance periods.
