

LEVEL II FACULTY-TO-FACULTY ARTICULATION MEETING

HCC and the University of South Florida

Friday, November 5, 2004

Dale Mabry Campus, DLRC 106

GOALS

1. To identify major competencies and performance objectives to be achieved in each course.
2. To identify sequential content of courses so that students experience no gaps or disruptions in the pursuit of their educational goals.
3. To identify where course/curricular changes may be necessary in order to maximize the academic success and educational progress of students.
4. To review textbooks and other instructional materials.
