Orientation Exercise

Please work in pairs to locate sources for a paper that you are preparing to write. Your topic: **Video games and violence – should minors be protected by law?**

A. Using the *Issues and Controversies* database:

1. Locate and print the first page of an article that provides background information on this topic.
2. Use the “By the Numbers” link to locate one useful statistic.

B. Using the *Academic Search Premier* database:

1. Locate one full-text article on your topic that was written in the past three months. Print the citation.
2. Locate one full-text peer reviewed article on your topic. Print the citation.

C. Using the advanced search screen in **Google**: Locate and print the homepage of one Internet source, updated within the past year, on this topic. Limit your search to **edu, gov** or **org** sites. Be sure to carefully evaluate the source you select.
