PURPOSE

The purpose of this administrative rule is to establish College policy regarding expenditures from student fees for student activities at Hillsborough Community College.

RULE

Student activity fees collected from student fees may be expended for student activities at Hillsborough Community College, in accordance with the appropriate laws of Florida, rules of the State Board of Education and administrative rules and procedures. The student activity fee may be expended for the following student activities: student newspapers, yearbooks, athletic programs, lyceum series, intramural sports, campus movies, campus concerts and other student social activities.

The Board of Trustees will annually approve the amount to be used for student activities, which will be in accordance with the annual budget prepared jointly by the Office of Student Government and the College staff and approved by the President.
