scholarship in honor of **Rotary Anns of Ybor City**; \$500 from Ybor City Rotary Anns for a scholarship for an Ybor student; \$5,000 from the Greater Plant City Chamber of Commerce for scholarships for Plant City students; \$1,000 each from Ambrose Gormley, Inc. and Jaeger Corporation for the Brandon Campus FL-ATE program; \$1,000 from the Network of Executive Women for scholarships and \$500 from FACC for the A.A. Paloumpis Endowed Scholarship Fund.

Dr. Stephenson also reported that the Foundation's internal campaign has currently raised \$12,014. She indicated that the Foundation's goal is to raise \$35,000, with 100 percent employee participation.

#### 1.07 Faculty and Staff Recognitions

- 1.07.01 Mr. John Huerta, the College's Executive Director of Marketing and Public Affairs, reported that the 2006 Chancellor's Leadership Seminar will be held on June 13–15, 2006 at the Ybor City Hilton Garden Inn. He indicated that the seminar boasts an impressive panel of presenters, including state and national leaders in higher education, and numerous sitting community college presidents.

The Board recognized the following selected College participants for the 2006 Chancellor's Leadership Seminar:

Dr. Adrienne Garcia  
Mr. Chad Hyatt  
Mr. Anthony Joiner  
Dr. Sharon Miller  
Dr. Paul Nagy

- 1.07.02 The Board recognized Dr. Johana Melendez, a Plant City Campus Biology faculty member, for receiving a Faculty Enhancement Travel Grant sponsored by the American Society for Microbiology (ASM) in the amount of a \$700 travel subsidy and a one-year complimentary membership to ASM.

- 1.07.03 Mr. Huerta advised that Dr. Gwendolyn Stephenson was recently selected to receive the "2006 Distinguished Support to the Academic and Professional Development of Students" Award, presented by the University of South Florida's Minority Pre-Professional Science Society (MPSS).

He indicated that MPSS is a student organization at the University of South Florida and its purpose is to promote minority student interests in health professions, and to increase the level of academic and professional competitiveness of students in the natural sciences and health professions. Mr. Huerta indicated that this student organization provides mentors, support networks, volunteer opportunities and academic enrichment.
