Dear Mr. Cona:

I appreciated the opportunity to meet with you and other associates of ABC (Associated Builders and Contractors, Inc.) on Wednesday, April 30, 2003. Your evening apprenticeship programs are truly appreciated by our College and are recognized as meeting an educational need in the community.

The items that you brought to my attention (lab area renovation requests, development of new programs, storage assignment options, and room assignment concerns) will be reviewed in a thoughtful manner and an official response on each point will be provided to you in a timely manner.

I look forward to continuing the mutually beneficial relationship which ABC and HCC enjoy. And, if you have any questions or concerns, please feel free to contact me.

Sincerely,

Elizabeth R. Johnson  
Dean of Associate in Science Degree Programs
