What is Educational Talent Search?

The Educational Talent Search Program is a federally funded TRIO Program designed to identify and engage low-income and disadvantaged youth in services and activities that will help them complete their secondary education, graduate from high school and successfully complete a postsecondary education.

Who is eligible?

ETS serves 200 students who attend targeted middle schools in Hillsborough County.

Selected students must meet an Economic Criteria (*Free or Reduced Lunch, Federal Assistance*) and/or Academic Criteria (*First Generation College Bound*).

Students who participate in the ETS program in middle school, and go on to a targeted high school, will receive services until they graduate from high school.

How Much Does it Cost?

All services are provided free of charge.

What Topics are Covered?

- Career Explorations
- Explanation of College and Entrance Requirements
- Aptitude Assessment
- How Behavior Affects Choices; Decision Making
- Study Skills and Time Management
- Preparing for High School
- Educational & Cultural Field Trips
- Newsletters and Updates

Our aim is to help students identify areas of interest to them in terms of future careers and then to apply themselves to their education with those goals in mind.
