**Information on Reinstated Payments**: By enrolling in the TIPS Program before the start of the fall term, you will be able to register for classes and receive financial assistance. This program is designed to help students who have previously dropped out of school but are now returning to complete their degree. To participate, you must register for classes during the designated enrollment period and pay your tuition fees in installments as specified by the program guidelines.

**FAQ**

1. **What is the TIPS Program?**
   - The TIPS (Tuition Payment Incentive System) Program is designed to help students who have previously dropped out of school but are now returning to complete their degree. It provides financial assistance in the form of monthly payments, allowing students to focus on their studies without the burden of tuition fees.

2. **How does the TIPS Program work?**
   - The TIPS Program works by enrolling in the program before the start of the fall term. Students are then eligible to register for classes and receive financial assistance for the fall term. Payments are made in installments throughout the term, and students are encouraged to participate in the program for a minimum of two terms.

3. **Can I apply for the TIPS Program?**
   - Yes, if you are a returning student who has previously dropped out of school but is now looking to continue your studies, you may be eligible to apply for the TIPS Program. You will need to complete an application and provide documentation of your previous enrollment and academic history.

4. **What is the interest rate on TIPS payments?**
   - The interest rate on TIPS payments is 0%. This means that you will only be responsible for paying the tuition fees you are enrolled in, with no additional interest charges.
