Part-time and full-time temporary positions generally are not shown, however, persons temporarily assigned to regular positions are shown.

Positions incumbered by an individual on a leave of absence may sometimes show as TBA.

Employee records remain open and names remain on the chart for at least one pay period after separation.

Legend

- Solid lines generally represent direct line or staff relationships.
- Shadowed boxes denote a function with one or more full-time positions.
- Unshadowed, dotted-line boxes denote grant funded positions.
- To save space, some functions along a horizontal line may be lower than others, This does not necessarily denote differences in rank or grade of the positions or individuals.
- Dotted lines represent working associations but not necessarily reporting relationships.
- Lightly-shadowed boxes may denote a non-HCC function, a function with no positions or part-time positions only, or may refer to a function further defined on other pages.
- Denotes a line function related to the main business of the unit.
- Denotes a staff function such as administrative or clerical support.
