The org chart is produced periodically by the Office of Human Resources. The structure layout is based on information provided by unit managers as approved by campus presidents/district vice presidents. Position titles and employee names are extracted directly from the Colleague HR database and placed in the appropriate location on the chart programmatically.

Temporary positions generally are not shown, however, persons temporarily assigned to regular positions are shown.

Positions incumbered by an individual on a leave of absence may sometimes show as TBA.

Employee records remain open and names remain on the chart for at least one pay period after separation.

## Legend

- **Solid lines** generally represent direct line or staff relationships.
- **Shadowed boxes** denote a function with one or more full-time positions.
- **Unshadowed, dotted-line boxes** denote grant funded positions.
- **Dotted lines** represent working associations but not necessarily reporting relationships.
- **Lightly-shadowed boxes** may denote a non-HCC function, a function with no positions or part-time positions only, or may refer to a function further defined on other pages.
- Denotes a line function related to the main business of the unit.
- Denotes a staff function such as administrative or clerical support.

To save space, some functions along a horizontal line may be lower than others. This does not necessarily denote differences in rank or grade of the positions or individuals.
