Notes

Part-time and full-time temporary positions generally are not shown, however, persons temporarily assigned to regular positions are shown.

Positions incumbered by an individual on a leave of absence may sometimes show as TBA.

Employee records remain open and names remain on the chart for at least one pay period after separation.

Legend

Solid lines generally represent direct line or staff relationships.

Shadowed boxes denote a function with one or more full-time positions.

Unshadowed, dotted-line boxes denote grant funded positions.

To save space, some functions along a horizontal line may be lower than others. This does not necessarily denote differences in rank or grade of the positions or individuals.

Dotted lines represent working associations but not necessarily reporting relationships.

Lightly-shadowed boxes may denote a non-HCC function, a function with no positions or part-time positions only, or may refer to a function further defined on other pages.

Denotes a line function related to the main business of the unit.

Denotes a staff function such as administrative or clerical support.
