Internal Articulated Credit Agreement
Technical Programs
Statewide Career Certificate to AAS/AS/PSAV

| Basis for Articulation	Receiving Academic Program	Total Credits
Statewide Articulation Agreement	AS Network Services Technology	9

In a continuing effort to serve the post-secondary transitional needs of students in technical and career programs, Hillsborough Community College agrees to extend college credit for the following Statewide Career Certificate: Network Systems Administration. The certification noted herein reflect specific levels of skill attainment as identified through a set of technical competencies and as validated by rigorous industry examinations. The academic integrity of the associated competencies has been evaluated by HCC faculty and are determined to be in alignment with those of the receiving degree program. The articulated credits will be applied towards the Associate in Science, Network Services Technology degree as delineated below:

Statewide Career Certificate	Hillsborough Community College Courses	Credit Hours
Network Systems Administration	CEN 2931 – Special Topics in Networking	3
	CEN 2932 – Special Topics in Networking	3
	CEN 2933 – Special Topics in Networking	3

*To be eligible for articulation, the student must show evidence of the certification and it must have been issued within three (3) years prior to enrollment in the HCC program. This agreement is effective as of February 1, 2019 and will be reviewed again on June 30, 2024

*An original form of documentation must be presented to an HCC representative before articulated credit can be requested. However, a copy of the certification can be used for internal processing of the articulated credit form.

Postsecondary Adult Vocational (PSAV) to AAS/AS Degree Articulation

Statewide Agreement Worksheet Summary

PSAV Program Name: Network Systems Administration

PSAV CIP Number: 0507.030405
PSAV Program Number: B079300
AAS/AS Degree Name: Networking Services Technology
AAS/AS CIP Number: 0507.030401/1507.030401
Admission Requirements: Students entering the Associate in Applied Science and or the Associate in Science Program in **Networking Services Technology** must have a standard high school diploma or its equivalent, or a CPT Eligible Certificate of Completion. Students must meet the requirements of State Board Rule 6A-10.0315(3), FAC (College preparatory testing, placement, and instruction). Students earning scores less than those listed shall enroll in college preparatory communication and computation instruction.

Other admission requirements: None

Validation Mechanisms: Present an original certificate of completion in Network Systems Administration. Provide evidence for each additional option included in the program as defined below for additional credits. Complete one networking services technology program specific course not included as part of the courses being awarded credit with a grade of 'C' or better at the community college awarding the credit. Student must enroll within three (3) years of completion of the PSAV program.

School district technical center and community college faculty committee met and agreed to propose that the **1050** clock hour program in **Network Systems Administration** shall articulate **nine (9)** college credit hours to the AAS/AS Degree in **Networking Services Technology.** This agreement does not preclude but encourages the awarding of additional credits by any college through local agreements.

Community College: AAS/AS in <u>Networking Services Technology</u>.

General Education .... __15__ credit hours

Program Core/Electives .... _45_ credit hours

Total AAS/AS Degree Program ...._60_ credit hours

Will award course credits or a block of credit toward AAS/AS program for 9 (nine) hours of credit and award <u>additional credit</u> for PSAV programs including each of the following tracks (coursework) if the community college includes this coursework in the articulated program:

       3 credits – Wireless coursework
       12 credits – Microsoft courses in MCSA courses in track
       3 credits – Linux+ track coursework
       3 credits – Security + coursework
