## HCC TOBACCO FREE POLICY

Hillsborough Community College (HCC) is dedicated to providing a healthy and productive environment for its faculty, staff, students, visitors, and contractors. Research findings show that use of tobacco products constitutes a significant health hazard; tobacco smoke is a proven health and safety hazard both to smokers and to non-smokers who are involuntarily exposed to the secondhand smoke. By endorsing this tobacco-free policy, HCC joins more than 2,599 colleges and universities around the country that have gone 100% smoke-free to demonstrate its commitment to eliminating environmental tobacco smoke (ETS) exposure, promoting healthy practices and choices for individuals, and establishing a collegiate culture of wellness.

Tobacco-use is prohibited on all Hillsborough Community College properties, including owned and leased buildings, student housing, outdoor areas, parking lots and garages, courtyards, entrance and exit ways, and college vehicles. This policy includes all types of tobacco and tobacco-like products, including smoked and smoke-less tobacco, other smokable products, and electronic cigarettes.

## **TRAFFIC AND PARKING REGULATIONS**

Traffic and parking regulations apply to two and three-wheel motorized vehicles as well as to cars and trucks and are vigorously enforced.

HCC campuses use standard traffic signs and regulations. All members of the college community and guests operating vehicles must comply with them. Moreover, everyone operating a vehicle on a HCC campus must comply with lawful orders and directions given by HCC Public Safety Officers and HCC employees authorized to direct, control or regulate traffic. Unless otherwise posted, the campus speed limit is 15 MPH. U-turns are prohibited at all times. Any driver leaving a vehicle on campus overnight must notify the Department of Public Safety.

Only motorized and non-motorized vehicles used by the disabled are permitted on campus sidewalks. Students who need permits to park in spaces reserved for the disabled must obtain those permits from the appropriate state agency. Faculty, staff, reserved and other restricted parking areas are clearly marked. Students are allowed to park only in those lots and spaces designated for student parking. Vehicles found in violation of the following regulations may be removed at the owners expense:

- parking in restricted areas such as those reserved for faculty and staff;
- parking in a disabled space without a Florida Permit (this may also result in a substantial fine);
- obstructing vehicular or pedestrian traffic;
- receiving a third HCC Parking Citation within one year;
- parking motorcycles, bicycles and scooters off the designated areas or special racks;
- parking in fire lanes, or in red or yellow curb zones;
- leaving a vehicle on campus overnight without contacting the campus Department of Public Safety and gaining authorization; and
- parking in any one of the following areas:
  - within 10 feet of a fire hydrant
  - in a loading zone
  - in a driveway in a designated tow-away zone
  - on a sidewalk
  - on the grass
  - outside of a marked parking space
  - obstructing a legally parked vehicle

Drivers of vehicles involved in accidents resulting in injury, death, or damage to the property of others must immediately stop, notify the appropriate law enforcement agency, report the accident and any injuries to the Department of Public Safety, and remain with the vehicle until an officer or designee arrives.

Anyone on a campus found driving under the influence of alcohol or drugs will be subject to both College disciplinary procedures and state statutes and local ordinances. The Department of Public Safety will contact the appropriate law enforcement authorities when such violations are discovered.

## Federal Student Aid and Online Attendance

Federal regulations require online students to not only attend but participate in coursework each term to be eligible for federal financial aid. Hillsborough Community College verifies student attendance in accordance with this regulation.

***In a distance education context, logging into an online class is not sufficient, by itself, to demonstrate attendance by the student. Students must establish a record of participation in academically related activities in order to comply with this requirement.***

Academically related activities include, but are not limited to:

- physically attending a class where there is an opportunity for direct interaction between the instructor and students;
- submitting an academic assignment;
- taking an exam, an interactive tutorial or computer-assisted instruction;
- attending and participating in an online study group that is assigned by the instructor;
- participating in an online discussion about academic matters or;
- initiating contact with a faculty member to ask a question about the academic subject studied in the course.

Academically related activities do NOT include activities where a student may be present, but not academically engaged, such as:

- logging into an online class without active participation or;
- participating in academic counseling or advisement session unrelated to a specific course assignment.

Students who have not established attendance/participation in online courses may have their federal financial aid eligibility adjusted.

Student Policies which include ADA, Drugs & Alcohol, Hazing, Religious Observances, Dress Code, Ombudsman/Student Advocate and Records Policies can be viewed in the HCC Catalog.

# STUDENT ACTIVITIES

You will get the most out of attending HCC if you include more than academics in your college experience. Joining a club, getting involved in student activities, participating in athletics, working on a college publication, and volunteering in the community - these are just a few of the ways you can increase the value of your HCC experience.

## STUDENT CLUBS AND ORGANIZATIONS

Hillsborough Community College offers a variety of opportunities for students to broaden their horizons through cultural and special events on each campus.

Each campus has clubs and organizations that serve student needs. If students do not find an organization that fits their interests, they have the opportunity to create one. Student clubs and organizations provide students with the opportunity to participate in organized activities with others having similar interests. They offer students a way to make friends, expand horizons, and get involved in college life.

## STUDENT GOVERNMENT ASSOCIATION

All students are members of the Student Government Association (SGA). However, to vote in meetings you must be elected to the campus SGA. The SGA is the medium through which students can actively participate in the program and policy-making process of the College. It serves as the means of communication between students and administration. Please contact your campus Student Activities Office for further information.

It is the goal of the College to have a SGA established for each campus. Each campus will have its own Executive Officers and Legislative Body. It is the intention that this will create an atmosphere of participatory student governance that will result in greater student participation in clubs, organizations and student government.

# STUDENT HEALTH AND WELLNESS

## AIDS

Any questions, concerns, consultation regarding AIDS services or accommodations should be referred to any campus Office of Services for Students with Disabilities.

More detailed information on AIDS can be viewed in the Hillsborough Community College Catalog under the Student Policies section.

## DRUGS AND ALCOHOL

Hillsborough Community College recognizes the serious nature and potentially harmful effects of using controlled substances in the workplace and educational setting. It is the College's policy to provide both personnel and students with a drug-free work place and learning environment. Nothing less will be acceptable if the College is to be successful with its mission and goals. Consistent with this commitment, College members working together can achieve a "Drug-Free HCC".

To assist College members in meeting our drug-free goal, the unlawful manufacture, distribution, dispensation, possession or use of controlled substances is prohibited at any time. Additionally, it will be a violation of College policy for an employee or student to use or be under the influence of alcohol or illegal drugs on College property or at a College site. However, for special events, the President may authorize alcoholic beverages to be served and sold with the necessary permits and insurance on College property or at a College site.

Recognizing that there may be employees and students who have an alcohol or drug problem, the College stands willing to assist in the resolution of that problem and encourages employees and students to seek help through their medical provider or, if desired, by the Human Resources Office or by the Student Services and Enrollment Management Department.

To support the College's commitment to a drug-free workplace and learning environment, the College will provide a general alcohol and drug education to personnel, including supervisor training in prevention, identification, documentation and referral. In addition, students will annually receive alcohol and drug information.

## BILL OF STUDENT RIGHTS

### PURPOSE

This procedure establishes a bill of student rights for students at Hillsborough Community College.

### PROCEDURE

Hillsborough Community College exists to provide for the educational development of all students enrolled at the institution as well as the general wellbeing of society. As members of the academic, technical and occupational communities, students are encouraged to develop the capacity for critical judgment and to engage in an independent search for truth. The College will implement administrative procedures to ensure academic freedom at the institution.

The admission policy of Hillsborough Community College is an Open Door Policy for all qualified students. No student will be barred from admission on the basis of race, sex, marital status, national origin, age, color or disabled status. The College facilities and services will be available to all students who are enrolled at the College.

Instructors will encourage free discussion, expression, and inquiry, both in the classroom and in conference. Student performance will be evaluated solely on an academic basis, not on opinion or matters unrelated to academic standards.

BILL OF STUDENT RIGHTS - Students, as members of the academic community, will have the following rights while enrolled at Hillsborough Community College:

1. Students will be free to take reasoned exception to the data or views offered in any course of study and to reserve judgment about matters of opinion expressed during a course of study. However, students enrolled in a course are responsible for learning the material.
2. Students will be protected against prejudicial or capricious academic evaluation. At the same time, students will be responsible for maintaining the standards of academic performance established for each course.
3. Information regarding a student's views, beliefs and political associations, revealed during a course of study will be considered confidential. Under appropriate circumstances a faculty member may comment on a student's ability or character which normally occurs with the student's knowledge or consent.
4. Students will have active representative participation in College areas where students have a responsibility to the institution.
5. Students will have the right to establish a representative student government.

6. Students will have the right to establish and participate in student organizations, free from unreasonable restrictions, limitations and/or discrimination.

## **RECORDING CLASS LECTURES**

Students may record or video a class lecture for the following three permitted purposes: (1) personal educational use, (2) for use in a complaint against the institution, or (3) for the use as evidence in a civil or criminal proceeding. However, students may not record for any other purpose without the written consent of the faculty member.

### **ADDITIONAL INFORMATION ABOUT STUDENT RECORDING CLASS LECTURES**

A state college student may, without prior notice, audio or video record a class lecture in which the student is enrolled for the following purposes:

- (a) personal educational use of the student;
- (b) in connection with a complaint to the College where the recording is made; or
- (c) as evidence in, or in preparation for, a criminal or civil proceeding.

A class lecture recording may not be published without the written consent of the faculty member, except it may be shared with college officials or state and federal government officials in connection with a complaint to or against the College, or used as evidence in a criminal or civil proceeding. Violation of this provision may subject the student to disciplinary action by the College and/or to a legal action by a person injured by the publication.

A class lecture is defined as a formal or methodical oral presentation as part of a College course intended to present information or teach enrolled students about a particular subject. A class lecture will occur most often in a course identified by the college as a lecture type course, whether online or in-person, as opposed to a lab course or a course section identified as a discussion section. Class lecture does not include lab sessions, student presentations (whether individually or as part of a group), class discussion (except when incidental to and incorporated within a class lecture), clinical presentations such as patient history, academic exercises involving student participation, test or examination administrations, field trips, private conversations between students in the class or between a student and the faculty member, and invited guest speakers during a class session. A recording that personally identifies a student who has not consented to being recorded will not be recognized as a class lecture for these purposes and may be subject to other institutional policies.

To publish means to share, transmit, circulate, distribute or otherwise provide access to the recording, regardless of format or medium, to another person, or persons, including but not limited to another student in the class. Additionally, a recording, or transcript of the recording, is published if it is posted on or uploaded to, in whole or in part, any media platform, including but not limited social media, book, magazine, newspaper, leaflet, picket signs, or any mode of print.

## **FAQ FOR STUDENTS**

### **Do I need my professor's consent to record class lectures?**

No, so long as you are enrolled in the class and are recording the lecture for one of the permitted purposes listed in the statute. You have the right to record class lectures for one of three purposes: (1) your own personal educational use; (2) in connection with a complaint to the college; or (3) as evidence in, or preparation for, a civil or criminal proceeding. As long as you are making the recording for one of these purposes, you do not need the faculty member's consent to record the class lecture. Keep in mind that recordings may not be used to engage in academic dishonesty, or as a substitution for participation in class.

### **What is a "class lecture"?**

A class lecture is defined as a formal or methodical oral presentation as part of a College course intended to present information or teach enrolled students about a particular subject. A class lecture will occur most often in a course identified by the College as a lecture type course, whether online or in-person, as opposed to a lab course or a course section identified as a discussion section.

### **My professor usually combines class lecture with a group discussion. Can I record this group discussion?**

No. The definition of class lecture does not include other class activities such as class discussions, unless those discussions are incidental to, and incorporated within, a class lecture. That means that questions asked by enrolled students and answers given by faculty member during the lecture portion of a class may be recorded, while a discussion portion of a class following the class lecture may not. A class lecture also does not include student presentations (whether individually or part of a group), lab sessions, clinical presentations such as patient history, academic exercises involving student participation, test or examination administrations, field trips, private conversations between students in the class or between a student and the faculty member, or invited guest speakers during a class session. These activities may not be recorded without the express consent of all participants. Your faculty member may or may not announce when the lecture portion of a class has ended, but it is up to you to ensure that you do not record at an impermissible time.

### **My friend was sick and missed class. Can I share my recording of the class lecture with them?**

No, not without the faculty member's written consent. While you may record the class lecture, you may not publish the recording without permission. In this context, the word "publish" means to share, transmit, circulate, distribute or otherwise provide access to the recording, regardless of format or medium, to another person (or other persons), including but not limited to another student in the class. Additionally, a recording, or transcript of the recording, is published if it is posted on or uploaded to, in whole or in part, any media platform, including but not limited social media, book, magazine, newspaper, leaflet, picket signs, or any mode of print.

### **Are there any places I can share the recording without my faculty member's permission?**

Yes, you may publish the recording to College officials or state and federal government officials in connection with a complaint made to or against the College, or you may publish the recording as evidence during civil or criminal legal proceeding. If you wish to make a complaint to the College, please utilize the student Grievance Process.

## **CODE OF STUDENT CONDUCT AND DISCIPLINARY PROCEDURE**

### ***I. PURPOSE***

In order to maintain an educational environment to meet HCC's mission and goals, HCC has established a Code of Conduct ("code") for students that requires respect, integrity and civility in all College-related activities by all members of the HCC student community.

The term student refers to any person who is admitted to or enrolled for classes through the college, including any person affiliated distance learning and GED courses. Admitted or enrolled students who withdraw after allegedly violating the code are considered students.

This Code of Conduct is intended to protect HCC, its academic and social community, and its property from harm resulting from acts of its students.

Both individuals and student organizations are expected to follow the Code and exercise responsible behavior and to observe HCC rules, policies and procedures, as well as, all federal, state and local laws and guidelines.

This Code outlines prohibited conduct and provides for imposing appropriate discipline to students whose acts are in violation of prohibited conduct through hearing procedures affording both prompt disciplinary determinations and appropriate due process to the alleged student violator.

HCC students may also be accountable to law enforcement authorities, as well as to the College, for acts that constitute violations of laws as well as violations of this Code. In such events, College disciplinary actions will proceed notwithstanding any pending criminal proceedings. Similarly, dismissal or acquittal of concurrent legal proceedings will not necessarily result in dismissal of College disciplinary actions.

The College recognizes its responsibility to act to protect the safety and well-being of the campus community. The range of student misconduct which could harm persons and property on campus is also broad. Accordingly, these regulations are to be interpreted broadly to effect fully the protection of the HCC community. This Code is intended to define prohibited offenses and to give students notice of the behavioral standards expected of them. It is not meant to define misconduct in exhaustive terms or be all inclusive. HCC may take action concerning student conduct for off-campus/site conduct If the conduct is associated with HCC events, activities or if the conduct poses a threat to the safety or security of the HCC community or threatens to undermine HCC's educational process.

## ***II. JURISDICTION***

HCC has jurisdiction over student misconduct that occurs on HCC premises and/or at HCC sponsored activities, which includes all activities at both the Hawk's Landing student housing complex, and it may also address off-campus behavior if HCC determines that the behavior, or the continued presence of the student, impairs, obstructs, interferes with or adversely affects the mission, processes, operation or functions of the College. Any student who commits a criminal act or violates any provision of this Code may be subject to College discipline. HCC may pursue disciplinary action against a student at the same time the student is facing criminal charges for the same offense, even if criminal prosecution is pending, has been dismissed or the charges have been reduced.

HCC will fully enforce this Code at Hawks Landing and will enforce discipline for prohibited conduct as outlined in this Code at Hawks Landing.

The College shall enforce the provisions of Section 1006.62, Florida Statutes and the Code.

## ***III. COLLEGE POLICY ON STUDENT VIOLATIONS OF LAW***

On-Campus misconduct constituting a criminal offense will be immediately reported to the Public Safety Office who will contact law enforcement. If a student's illegal act is also in violation of this Code, proceedings will be instituted under this Code. If the College itself is a victim of the illegal act, the college may file a complaint against the student with local law enforcement and take all actions available through the legal system. HCC may take conduct action against a student for off-campus conduct if it is required by law to do so, if the conduct arises from HCC activities, or if the conduct poses a significant threat to the safety or security of the college community, or if the conduct poses a significant threat of undermining the college's educational process.

The Department of Public Safety is responsible for investigating all student violations of the law that occur on campus, and should be notified immediately upon detection of any such violation. As soon as practical upon receipt of such notification, a Public Safety officer shall advise the appropriate local law enforcement authority of such violation and that an investigation is being made. The Department of Public Safety shall take whatever action may be necessary, legal and proper within the scope of its authority with respect to such violation, for the protection of persons and property on campus, and shall cooperate fully with the law enforcement authorities in the apprehension of suspects, preservation of evidence, aid to victims and all other aspects of the case. Complainants will be asked to prepare a complete factual incident report after the occurrence of each violation and a copy thereof sent to the Department of Public Safety. These reports shall be prepared whether or not the violation is also investigated by a local law enforcement authority. If the student violates an ordinance on state, federal or foreign country law that is not associated with a college program or activity, or on HCC property, HCC will not take action and will allow applicable laws to impose any fine/penalty.

## STUDENT GRIEVANCE (NON-ACADEMIC)

### Purpose

This procedure establishes procedural guidelines for students at Hillsborough Community College to follow for having a grievance heard and acted on in a fair and equitable manner.

### Procedure

Hillsborough Community College recognizes the meaningful value and importance of full discussion in resolving misunderstandings and preserving good relations between the students and the College. This procedure will better ensure that complaints receive full consideration, with an emphasis on resolving the problem at the lowest level, with the individual with whom the dispute occurred. However, if a problem or condition exists, the student should bring this to the attention of the appropriate person in the proper manner.

Students at the College are entitled to fair and equitable treatment and an accessible procedure for expressing dissatisfaction and communication with the administration to reconcile any College-related problems. Retaliation for the exercise of these rights is forbidden.

Where informal methods are unsuccessful, the College recognizes that certain problems are best settled by a grievance procedure. If a problem is included within the definition of a grievance, the purpose of this procedure is to settle the grievance promptly and within the time limitations prescribed below. However, a student's problem may be referred to another procedure if the dissatisfaction or problem is not included in a grievance.

**1. DEFINITIONS:** The following definitions will apply to this procedure:

- A. Grievance - a dispute involving a non-academic issue with an employee of the College or with the College, which may include the violation of an administrative rule or procedure. A grievance will not involve administrative decisions regarding the operation of the College, such as but not limited to the scheduling of classes or the location of a classroom(s).
- B. Grievant - a student who initiates a grievance as defined above. (If more than one student has the same or a similar grievance, each student will be required to file a grievance).
- C. Respondent - the specific individual(s) responsible for causing or implementing the matter that gives rise to the dispute. The respondent may be a member of the faculty or other College employee against whom a grievance is filed.
- D. Student/Staff Committee - the committee will include two (2) College employees appointed by the Campus President and two (2) students appointed by the campus Student Government. The Campus President will also appoint an administrator to be the chairperson of the committee.
- E. Student Rights Representative - each campus Student Government will select a student to be the Student Rights Representative.

**2. GRIEVANCE GUIDELINES:** The following guidelines will apply to this procedure for student grievances:

- A. A grievance may only be filed by the affected student who is solely responsible for initiating this grievance.

- B. The time limitations are necessary to provide a timely resolution of the grievance. "School days" shall exclude Saturdays, Sundays and approved holidays. It is the expectation of the college that grievances are resolved within 30 days of Notice.
- C. If the student fails to adhere to the time limitations, the grievant will be deemed to have waived his/her grievance. The Dean of Student Services will terminate the grievance and notify the grievant and respondent accordingly.
- D. If the respondent fails to adhere to the time limitations, the respondent will be deemed to have waived his/her right to respond during that time or step of the grievance and the grievance will move to the next step.
- E. The Dean of Student Services may authorize an extension of time following receipt of a written request. The Dean of Student Services will notify the grievant and respondent accordingly.
- F. If the Dean of Student Services is named as a respondent in a grievance, the Campus President will name a designee for the Dean of Student Services for the procedural steps outlined in this procedure. In addition, to better ensure that the grievance is handled in a timely manner in the event the Dean of Student Services is unavailable, the responsibilities outlined in this procedure will be assigned to a designated employee by the Campus President.
- G. This is not the appropriate procedure for a grievance involving discrimination or sexual harassment. The student must contact the Dean of Student Services or the Office of Equity for additional information, or refer to the appropriate administrative rules or procedures which are available at the office of the Campus President, an administrator's office or in the libraries.
- H. A student may not grieve an executive discretionary decision by College personnel regarding the operation of the College or the management of employees and students as permitted by the rules of the State Board of Education and the laws of the state of Florida.
- I. The College will work with students to resolve problems. A student will not be penalized for presenting a complaint or filing a grievance.
- J. To better ensure that the grievance is addressed on an informal basis, a non-College related spokesperson or representative would not be permitted during the grievance process until the appeal process commences with an appeal to the President.

**3. PRE-GRIEVANCE INFORMAL CONSULTATION:** The following guidelines apply to a pre-grievance informal consultation in addition to the other applicable requirements of this procedure:

- A. Prior to initiating a grievance, a student should make reasonable efforts to resolve any questions, problems or misunderstandings that may arise. Students should evaluate whether a dispute involves executive discretionary matters by College personnel regarding the operation of the College or the management of students and employees. Such matters are not subject to the grievance process.
- B. For dissatisfactions and disputes not involving discretionary decisions by College personnel, students are encouraged to initiate discussions with the Dean of Student Services or a faculty member (where applicable) or any other employee involved at the time of dissatisfaction or when a problem arises.

Such discussions are encouraged to better ensure that positive and prompt action is initiated to answer student questions and to resolve complaints. It is College personnel's responsibility to ensure that any complaint brought to him/her receives prompt attention. The student may meet with the Dean of Student Services prior to initiating a grievance to receive guidance and assistance.

- C. The grievant (student) must submit a brief written request for an informal meeting to the respondent within five (5) school days following the date of the incident, giving rise to the complaint or the date on which the complainant has knowledge of the incident. Within five (5) school days following the date of incident, giving rise to the complaint or the date on which the grievant has knowledge of the incident, with in five (5) school days following the written request, the respondent will schedule an informal meeting with the grievant to discuss the alleged complaint, with the objective of resolving the matter to the satisfaction of the grievant and the respondent. A grievant may not file a grievance if the grievant has not requested and attended the informal meeting.
- D. At the informal meeting, the grievant is not responsible for notifying the respondent that a formal grievance may be filed.
- E. If the problem is resolved at this step, the issue will be dropped.
- F. If the grievant is unable to contact the respondent or the respondent is unwilling to meet with the grievant within the five (5) school day period, the grievant will notify the Dean of Student Services for further directions which may include skipping the respondent in the grievance procedure.

The student may appeal this decision to the Campus President within five (5) days following receipt of the request to notify the Dean of Student Services, who will notify both the grievant and the respondent accordingly.

Further, this policy applies to conduct occurring on HCC property or at College-sanctioned events or programs that take place off campus, including study abroad and internship programs, as well as at Hawks Landing and The Regent.

This policy does not abridge free speech rights or academic freedom.

HCC's Office of Equity and Diversity (OED) is the designated department to lead, guide, and ensure compliance with this policy as the right thing to do in addition to expectations based on federal and state laws, and local ordinances which prohibit illegal discrimination, harassment, sexual misconduct, and retaliation. When reported or made known to OED, College officials will take prompt, fair, equitable, and appropriate action to correct and discipline behavior in violation of College policy, which may include termination and/or dismissal. # STUDENT SERVICES AND ACTIVITIES

HCC's Division of Student Services and Enrollment Management includes those areas that most affect a student's non-class activities, for example: admissions, registration, financial aid, testing, counseling, advising, extracurricular activities, and services for students with disabilities.

The offices within the student services division - each with its own unique service and function - work together to make your college experience more successful and enjoyable. For details on HCC's services, policies and programs, visit the HCC website.

## ACADEMIC ADVISING

Sometimes college can seem like a maze. Academic Advisors understand that students have many questions, which is why they are ready to help you get started and stay on the right path. Academic Advisors work in partnership with students to assist in navigating the institutional structure and system and provide support and guidance for academic decisions and degree requirements. Whether you have questions about degree and graduation requirements, course selection, transcript review, or transferring to a four-year institution, Advisors are ready to assist you. You can meet with an Advisor in the Student Services area of any HCC campus on a walk-in basis, during normal business hours.

## CAREER RESOURCE CENTERS

Each HCC campus houses a Career Resource Center (CRC) with professionals available to assist students and alumni in discovering career pathways, assessing skills and interests, exploring various occupations, and developing resumes, cover letters, and interview skills. The CRC offers career and job-related events and workshops, as well as resources to assess which career field might be best for you and databases to research those careers further. Job boards are available in-person and online to assist you in finding jobs while in school or upon graduation. The CRC is also the hiring office for students for the Federal Work-Study program, which offers part-time jobs for students with financial needs, allowing them to earn money. By participating in the work-study program, you have an opportunity to gain work experience and professionalism by working along with college employees and their community partners.

## ATHLETICS

### Gymnasium, Weight Room and Outdoor Sports Complex

HCC's Tennis Complex, an innovative joint project originally among HCC, the City of Tampa, and Hillsborough County, is located at the northeast corner of the Dale Mabry Campus. Students, faculty, and staff may use the sports complex at no charge while participating in college credit courses.

At other times, students pay a special rate when they present their HCC I.D. card or semester's receipt. The public may rent the facilities according to a published fee schedule.

Tennis courts are available for educational and recreational use by HCC students and the community. Hourly reservations are required and reservations for tennis courts must be made 24 hours in advance. Further details are available by phoning (813) 348-1173.

The gymnasium, which serves as the home court of the Hawks basketball and volleyball teams, is located on the Dale Mabry campus. College weight training rooms and the gymnasium may be available for student use free of charge at designated times. There are weight rooms located on the Brandon and Dale Mabry campuses. To use the weight room on the Dale Mabry Campus the student must be enrolled in a PE class. Hours of operation for the gym and weight room are posted and vary from term to term. Students are required to dress appropriately.

## **VARSITY SPORTS**

The varsity sports program consists of volleyball, basketball, tennis and softball (fast pitch) for women; and basketball and baseball for men.

The Hawks are members of the Florida College System Activities Association, Suncoast Conference, Mid Florida Conference, and Region VIII of the National Junior College Athletic Association.

Financial scholarships are available to any full-time student who meets both athletic and academic qualifications. For details, students should contact the Athletic Office, Dale Mabry Campus, at 813-253-7304. Upon request, the College will make available to current or future students the completion rates of student athletes.
