**MUSICAL THEATRE OPEN HOUSE**

MAINSTAGE THEATRE – HCC YBOR CAMPUS

WEDNESDAY MARCH 4  7:30 PM

The School of Visual and Performing Arts at Hillsborough Community College Ybor Campus will host a Musical Theatre “Open House” on Wednesday March 4 at 7:30 pm. This will be an informal evening of musical theatre, operetta and networking with like minded individuals in the Mainstage Theatre of the Ybor Performing Arts Building. Participation is open to HCC Students as well as the local theatre community. Solo or Duo Performers may bring tracks (see notes below), an accompanist or bring sheet music and an accompanist will be provided. For details on how to be included on the program see notes below.

Robert Winslow of the HCC Music Department will be available to accompany those who need his services. Understand that time limitations will of necessity preclude any rehearsal time with Mr. Winslow so bringing your own accompanist or tracks will be preferable. Priority will be given to those who respond in advance but those who show up without advance notification will be accommodated on a time available basis.

Representatives of all theatre companies in the bay area that produce musical theatre are invited to attend. It is hoped that if this evening is successful it can be made a semiannual event.

These Musical Theatre Open House programs are dedicated to the memory of Ricky Castillo who often hosted similar evenings which he referred to as the *Broadway Café Society*.

**IF YOU WOULD LIKE TO PARTICIPATE**

Please email the following information to infoarts@hccfl.edu; please have MUSICAL THEATRE in the subject line.

**GO GREEN AND SAVE GREEN !!**

- Go online to find new or gently used secondhand products. Whether you’ve just moved or are looking to redecorate, consider a service like Craigslist or FreeSharing to track down furniture, appliances, and other items cheaply or for free.
- Check out garage sales, thrift stores, and consignment shops for clothing and other everyday items.
- Aluminum trays from pies and cakes make ideal ‘drip saucers’ to put under potted plants.
- Old rolls of wallpaper can be used for children’s drawings.
