FACTS ABOUT HCC
HCC is a public, comprehensive community college that has provided high-quality education to the Tampa Bay community since 1968. HCC serves over 46,000 students, attending classes on five campuses located in Tampa, Ybor City, Plant City, Brandon, and South Shore (Ruskin).

FACTS ABOUT THE HCC FOUNDATION
The Hillsborough Community College Foundation’s primary purpose is to raise private gifts from the community for scholarships, capital and other projects, institutional priorities and unmet needs.

Last year, $1.2 million in scholarships was awarded to 1300 deserving HCC students. We thank our generous donors for making this assistance possible.

FACTS ABOUT HCC ATHLETICS
Supporting success in the classroom to facilitate graduation and building character are the foundations upon which the HCC Athletics Program operates. HCC Athletics focuses on the holistic development of each individual student athlete. This is achieved by meeting the physical, social, emotional, and ethical needs of our athletes, and by promoting the values of education, teamwork and sportsmanship. Eighty-nine percent of HCC student athletes graduate and then transfer to four year colleges.
