Adding the Colleague Icon to your start menu

*If you are interested in having Colleague populate in your Start menu, you may follow these instructions. However, if you prefer to go to the website through your favorites, you may do this also.

It is a matter of preference.
Start by going to the following website:
https://ui4-prod-1.hccfl.edu/UI%20Client/index.htm
Welcome to Colleague - UI4-PROD-1
User Interface 4.4

Before launching UI 4.4, please either disable all popup blockers or add this site as an exception to the popup blocker list in your browser. Be sure to also disable any third-party toolbars that may have additional popup blockers. For more information, contact your system administrator.

This is UI4-PROD-1
