NOTE: HCC participates in priority registration. Depending on your status, HCC will determine your registration dates. These dates are advertised on the web and the college calendar.

The college reserves the right to deny admission to applicants whose past actions were disruptive to or interfered with the orderly processes, functions, or programs of another postsecondary institution. In addition, HCC may deny admission to students who are ineligible, for any reason, to resume their studies at another postsecondary institution.

Orientation and Testing

Students attending HCC for the first time must attend orientation and, if applicable, take a college placement test. Once the student has been admitted, the appropriate testing, admissions and records, or advising office will provide information about orientation and testing. The college will provide reasonable accommodations to disabled students taking the placement test.

Degree-seeking students must provide assessment/placement test scores from PERT, ACT, or SAT prior to registering for classes. Test scores may be no more than two years old. If the scores are older than two years or if the student has not previously taken one of the aforementioned placement tests, the student may take the test at the appropriate HCC testing office.

The following test scores are required for college-level courses:

<thead>
<tr>
<th>Course</th>
<th>ACT Enhanced</th>
<th>PERT</th>
<th>SAT I</th>

NOTE: The minimum required scores on the PERT (Postsecondary Educational Readiness Test) are subject to change. Students testing into college preparatory course work are subject to certain regulations regarding registration.

Students who have earned a postsecondary degree or completed college-level English and mathematics courses might be exempt from the testing requirement. The college strongly recommends that students who have completed postsecondary work at other institutions bring unofficial transcripts or grade slips with them for advising and registration purposes.

Residency Requirements

For the purpose of assessing registration fees in public community colleges and universities, students are classified as Florida residents or non-Florida residents per Florida Statute (F.S.) 1009.21 and State Board of Education Rule (SB) 6A-10.044.

According to Florida statute, in order to pay in-state tuition, students must complete a declaration of residency (included in the application for admission) prior to the drop and add period of the term for which Florida Residency is sought. To qualify for in-state tuition, a student must be a U.S. citizen, permanent resident alien or legal alien.

For other eligible non-citizen categories or for a list of exemptions from the residency process, refer to the Guidelines on Florida Residency for Tuition Purposes. Exempt students are required to provide documentation of exemption eligibility.

For current and detailed information about Florida residency for tuition purposes visit the Florida Virtual Campus at www.flvc.org, click on Apply, click on Residency Guidelines or visit HCC’s student services website at www.hccfl.edu/ssem.aspx. When applying through the Florida Virtual Campus website, documentation to support an application for in-state tuition on the basis of legal residence for statutory exemption is required.

Residency Criteria

The HCC application includes a Florida residency affidavit which must be completed. An applicant who does not complete the residency affidavit or provide incomplete documentation on or in conjunction with the residency affidavit will not be classified as a resident for tuition purposes, and will be required to supply information prior to the end of drop and add.

If a student indicates his or her status as non-resident, there is no requirement to prove such status or to submit supporting documentation. The student is automatically considered out-of-state for tuition purposes.

Independent Student

An applicant who provides evidence of any one of the following criteria shall be classified as an independent student for the determination of residency for tuition purposes.

• The student is 24 years of age or older by the first day of classes of the term for which residency status is sought at a Florida institution; or
• The student is married; or
• The student has children who receive more than one-half of their support from the student; or
• The student has other dependents who live with and receive more than one-half of their support from the student; or
• The student is a veteran of the United States Armed Forces or is currently serving on active duty in the United States Armed Forces for purposes other than training; or
• Both of the student’s parents are deceased or the student is or was until age 18 one of the following: a ward/dependent of the court or in foster care; or
• The student is determined an unaccompanied homeless by a school district homeless liaison, emergency shelter or transitional housing program; or
• The student is working on a master’s or doctoral degree during the term for which residency status is sought at a Florida institution.
• The student is employed and provides a tax transcript of income equal or exceeding 50% of annual cost of attendance stipulated by financial aid.
Dependent Student

All students who do not meet the definition of an independent student shall be classified as dependent students for the determination of residency for tuition purposes.

Dependent students will be granted in-state residency for tuition purposes if the residency affidavit on the college application indicates that all of the following criteria are met. Further documentation will not be required for these students.

- The student is eligible to be claimed by his or her parent or legal guardian as a dependent under the federal income tax code;
- The student’s nation of citizenship is the United States;
- The student is under 24 years of age;

Documentation must demonstrate that the applicant has maintained legal residence in Florida for at least 12 consecutive months prior to his or her initial enrollment in a university or college.

Acceptable Documents for In-State Tuition Application

Applicants will have to submit documentation that they or a parent or legal guardian have been a Florida resident for at least 12 months prior to the first day of the classes for which they are enrolling. At least two of the following documents must be submitted with dates that evidence the 12-month qualifying period.

Requirements for Reclassification of Florida Residency for Tuition Purposes

Except as otherwise stated, a student who is classified as a non-resident for tuition purposes may become eligible for reclassification as a Florida resident for tuition purposes by presenting a minimum of three (3) documents, one of which must be from the first group of documents and two (2) documents can be from either of the two groups previously identified under “Acceptable Documents for In-State Tuition Application” that demonstrate the establishment of permanent legal residence in Florida other than for the sole purpose of pursuing a postsecondary education.

In addition, documentation must demonstrate that the independent student has, or the dependent student’s parents have, maintained legal residency in Florida for at least twelve (12) consecutive months prior to the student’s request for reclassification.

Students interested in pursuing residency reclassification or to appeal an initial residency classification decision may do so by contacting the dean of student services at any HCC campus. Requests for reclassification will be reviewed by HCC’s Residency Appeals Committee.
