2015/2016

Please make sure to also print Page 1 (AA Degree) for this Guide.

Community College students are encouraged to complete the AA degree prior to transferring to a university. Students are also encouraged to choose a specific major in order to take the appropriate courses at HCC for that intended major. Many university programs require the completion of specific courses prior to acceptance.

The following courses may be applied toward your degree at institution where you plan to transfer. It is the student's responsibility to contact the institution to ensure transferability.
