Ybor City Campus Advisory Council (CAC) Corner…

The Ybor City Campus Advisory Council (CAC) is a group comprised of faculty, staff and students who want to make a difference for the betterment of our campus and college. We meet the first Friday of every month at 11:00 a.m. in room 320 of the YPST Building. Everyone is welcome to attend our meetings and voice their concerns/suggestions/opinions. As a way to educate the campus on what is accomplished by the CAC, a brief article will be printed in the Spotlight each month. So please look for the CAC update to learn what is happening and what we are accomplishing.

The Ybor CAC held its first meeting on Friday, September 4. At this meeting, Dr. Robinson reported to the council that enrollment on our campus is up 18% from the same time the previous year. The council discussed classroom space and possible overflow space if it should become necessary. Dr. Robinson also discussed his open-door hours and encouraged everyone to come see him anytime. His open door hours are Wednesdays from 2 to 4 p.m. and Thursdays from 4 to 6 p.m.

Ronkel Williams from Human Resources spoke the council about the Benefits and Wellness Seminar to be held on the Ybor Campus on September 23, 2009. She further discussed with the council their involvement in providing seminars throughout the year on health and wellness. We will post announcements and invitations when those seminars are planned.

Remember to join us for our next meeting, which is scheduled for Friday, October 2, 2009 at 11:00 a.m. in YPST 320. We welcome your participation. If you are unable to attend, but have an issue you would like addressed, please visit our website (which can be accessed via the home page for Ybor City) for an on-line suggestion form or submit a “What’s On Your Mind?” form in one of our many suggestion boxes located throughout the campus.

Coming soon! WALKING WORKS!!
Your campus will be forming teams and competing against one another to see which team can walk and/or engage in the most physical activity hours. Participating is easy! During the program, you will track your daily walking by using a pedometer, which we will supply, keeping track of actual mileage walked, or keeping track of time that you walk or engage in other physical activity. You will then record your activity each week in the Walking Works Online Tracking Tool. The goal is to get moving!
Contact Ronkel Williams, rwilliams92@hccfl.edu for more information.

Go Green and Save Green!!!
- Buy in bulk. Purchasing food from bulk bins can save money and packaging.
- Wear clothes that don’t need to be dry-cleaned. This saves money and cuts down on toxic chemical use.
- Invest in high-quality, long-lasting products. You might pay more now, but you’ll be happy when you don’t have to replace items as frequently (and this means less waste!).

***Please submit all announcements and information for the newsletter to jnolasco@hccfl.edu no later than the 25th of each month. The Ybor Spotlight will only be published on the first of every month for a while. Thank you for your support and contributions. Judy Nolasco, Editor
