Canvas Is Here!

HCC wants to provide you the best distance learning experience possible and that means continuous improvement in technologies and services. So starting NOW, MyHCC - your portal to distance learning classes - moves to the Canvas learning management system. Canvas is intuitive, user-friendly, and is in place at universities throughout the nation including Florida’s USF and UCF – that means you won’t have to learn a new system when you transfer!

You’ve probably seen the Canvas news, Orientation video, and Student Guides on the HCC Distance Learning site: [http://www.hccfl.edu/distance-learning.aspx](http://www.hccfl.edu/distance-learning.aspx) - now we’re coming to your campus.
