STUDENT ACTIVITIES

You will get the most out of attending HCC if you include more than academics in your college experience. Joining a club, getting involved in student activities, participating in athletics, working on a college publication, and volunteering in the community - these are just a few of the ways you can increase the value of your HCC experience.

STUDENT CLUBS AND ORGANIZATIONS

Hillsborough Community College offers a variety of opportunities for students to broaden their horizons through cultural and special events on each campus.

Each campus has clubs and organizations that serve student needs. If students do not find an organization that fits their interests, they have the opportunity to create one. Student clubs and organizations provide students with the opportunity to participate in organized activities with others having similar interests. They offer students a way to make friends, expand horizons, and get involved in college life.

STUDENT GOVERNMENT ASSOCIATION

All students are members of the Student Government Association (SGA). However, to vote in meetings you must be elected to the campus SGA. The SGA is the medium through which students can actively participate in the program and policy-making process of the College. It serves as the means of communication between students and administration. Please contact your campus Student Activities Office for further information.

It is the goal of the College to have a SGA established for each campus. Each campus will have its own Executive Officers and Legislative Body. It is the intention that this will create an atmosphere of participatory student governance that will result in greater student participation in clubs, organizations and student government.
