INTRODUCTION

Handbook Purpose

Thank you for agreeing to serve as an adjunct faculty member for Hillsborough Community College (HCC). You are a valuable member of the HCC team. This handbook is intended to answer many of the questions that you may have as an HCC adjunct instructor. Please note that the Adjunct Faculty Handbook does not bestow any additional rights to employment or employment benefits to college employees. No representative of HCC, other than the Board of Trustees or the President with the Board’s authorization, has the authority to enter into an ongoing agreement with you for employment for any specified period of time or to make any promises or commitments contrary to the foregoing.

As an employee of HCC, you have the right to terminate your employment at any time. HCC retains the same right, regardless of any other college document or oral or written statements issued by a college representative with the exception of written employment contracts signed by the Chair of the Board of Trustees and the President or designee.

Full-time faculty at HCC work under a contract (the District Board of Trustees\Faculty United Services Association contract; also referred to as the FUSA contract) that is collectively bargained between the faculty union and the District Board of Trustees. Part-time faculty members do not come under the terms and conditions of this collective bargaining agreement.

While every effort has been made to make this handbook current at the time of publication, you should only use the handbook as a preliminary reference tool. When you have a situation that may involve the application of state or federal law, the administrative rules of the State Board of Education, or the College’s administrative rules and procedures, you should consult those sources, as well as your academic dean. Complete copies of all HCC policies and procedures are maintained online at www.hccfl.edu/dao/president.aspx.

Legal Basis

The District Board of Trustees of HCC operates the College in accordance with the Administrative Rules of the State Board of Education, the laws of the State of Florida and the College’s Administrative Rules and Procedures. Copies of the College’s Administrative Rules and Administrative Procedures are available online at www.hccfl.edu/dao/president.aspx. If a situation arises that involves the application of the above laws, rules, or procedures, you should consult those sources, your supervisor, or the Human Resources Office.

Accreditation

The Commission on Colleges of the Southern Association of Colleges and Schools accredits HCC to award certificates, diplomas, and associate degrees. Other accrediting or approving institutions are listed in the HCC Catalog.

History

HCC opened its doors in September 1968 to a charter class of 1,625 students. Classes were held in junior high schools, senior high schools, and other community facilities until the first permanent campus, now called the Dale Mabry campus, was opened in 1970. Steady increases in student enrollment led to the opening of permanent campuses in Plant City (1977), Ybor City (1978), the MacDill Education Center on MacDill Air Force Base (March 1986), the Brandon campus (1992), and the SouthShore campus (2008). Although HCC was the twenty-seventh community college to be established in Florida, student enrollment has grown at such a rapid pace that the College has become among the largest of Florida’s twenty-eight public community colleges.
Governing Board

HCC’s District Board of Trustees (BOT) members are appointed by the Governor and confirmed by the Senate for staggered four-year terms. The BOT has all powers necessary and proper for the governance and operation of the College. The BOT and its employees are governed by the provisions of the Florida Statutes and State Board of Education Rules.

Organizational Structure

HCC is a complex, multi-campus organization, consisting of entities of interacting parts and dedicated to specific goals. Formal Administrative Rules and Administrative Procedures govern much of the institution’s work. The administration of HCC implements the policies within the broad framework established by the BOT. Procedures hold the college together, control its work, and make the operation of the institution possible. Rules and Procedures are available online at www.hccfl.edu/dao/president.aspx.

Campus Locations

Dr. Gwendolyn W. Stephenson Administration Center
Street address: 39 Columbia Dr. (Davis Island), Tampa, FL 33606
Mailing address: PO Box 31127, Tampa, FL 33631-3127
Telephone: (813) 253-7000
TDD: (813) 253-7174

HCC’s Dr. Gwendolyn W. Stephenson Administration Center is situated in a picturesque setting on the west bank of the Hillsborough River on Davis Island. Just moments from downtown Tampa, this eight-story building houses the President’s office and the Board of Trustees meeting room.

Adjacent to the Dr. Gwendolyn W. Stephenson Administration Center is The Corporate Training Center @ HCC’s headquarters.

Brandon Campus
Street address: 10414 E. Columbus Dr., Tampa, FL 33619-7856
Mailing address: PO Box 30030, Tampa, FL 33630-3030
Telephone:
Dean of Academic Affairs (813) 253-7995
Dean of Associate in Science Programs (813) 253-7960
Advising and Counseling (813) 253-7802
Campus President (813) 253-7860
Evening Manager (813) 253-7816
TDD: (813) 253-7858

The Brandon Campus offers an array of on-campus and online credit classes, including those needed to earn an Associate in Arts or an Associate in Science degree. The campus is located on an 82-acre site off Falkenburg Road between SR 60 and SR 574.

Primarily serving the central portion of Hillsborough County and the developing corporate-industrial corridor along Interstates 75 and 4, the contemporary campus was designed to meet the needs of the community far into the future.

Dale Mabry Campus
Street address: 4001 W. Tampa Bay Blvd., Tampa, FL 33614
Mailing address: PO Box 30030, Tampa, FL 33630-3030
Telephone:
Advising and Counseling (813) 253-7202
Campus President (813) 253-7260
Dean of Associate in Arts, Humanities and
HCC’s largest campus is located at Dale Mabry Highway and West Tampa Bay Blvd., across the street from the Raymond James Stadium. The campus specializes in health sciences and technology and offers the required courses for both the Associate in Arts and the Associate in Science degrees. A wide variety of continuing education and distance learning courses are also available. The Dale Mabry Campus is home of two large apprenticeship programs, the Independent Electrical Contractors and the Associated Builders and Contractors whose students work throughout the Tampa Bay area.

The Campus’ four-story, state-of-the-art Technology Building houses the health science and technical programs. Other facilities include the Science, Gymnasium, Humanities, Library, the Student Services Building and the new lab building. The campus is also home to a tennis and racquetball facility.

**Plant City Campus**
- **Street address:** 1206 North Park Road, Plant City, FL 33563-2799
- **Mailing address:** 1206 North Park Road, Plant City, FL 33566-2799
- **Telephone:**
  - Dean (813) 757-2111
  - Advising and Counseling (813) 757-2102
  - Campus President (813) 757-2110
- **TDD:** (813) 757-2166

The Plant City campus is situated on a 93.5-acre site on Park Road, one-half mile south of Interstate 4 off Exit 14, in Plant City. A full range of university transfer and technical courses are offered. A large variety of continuing education courses are also available on campus and at numerous locations throughout this eastern Hillsborough County community.

This campus also houses the College’s Environmental Science Technology program and the Landscaping and Horticulture Technology program with its horticultural greenhouse. The Campus’ unique Institute of Florida Studies program features community-based environmental programming at the College’s three environmental studies centers and continuing education courses for environmental professionals. The Plant City Campus also offers a full complement of general education offerings as well as apprenticeship programs in plumbing, pipefitting and heating/ventilation/air conditioning/refrigeration (HVACR). The apprenticeship programs, which are cooperatively offered with the United Association Local Union 123, offer students a well-paying career in the trades.

**SouthShore Campus**
- **Street address:** 551 24th Street North East Ruskin, FL 33570
- **Telephone:**
  - Main (813) 259-6100
  - Admissions (813) 259-6101
  - Advising and Counseling (813) 259-6102
  - Campus Enrollment Coordinator (813) 259-5756
  - Dean of Student Services (813) 259-6152
  - Dean of Academic Affairs (813) 259-6151
  - Campus President (813) 259-6150
  - Evening Campus Manager (813) 259-5759

The SouthShore Campus is HCC’s newest location. SouthShore offers all of the requirements for an Associate in Arts degree plus programs in Emergency Medical Technician, Childcare Management and Certified Nursing Assistant. The campus also offers prerequisite courses for the Associate in Science in Registered Nursing (RN).
The full RN program will begin January 2010. Students can also complete Bachelors and Masters Degree programs at SouthShore, through a partnership with St. Leo University and Webster University.

SouthShore is the first Leadership in Energy and Environmental Design (LEED) certified “Green Campus” in the Florida Community College System. The campus uses sustainable construction and environmental technologies to reduce the use of energy, conserve water resources and reduce operating costs. The campus is becoming a regional model for “green” construction.

Ybor City Campus
Street address: 2112 N. 15th Street, Tampa, FL 33605-3648
Mailing address: PO Box 5096, Tampa, FL 33675-5096
Telephone:
Dean of Academic Affairs (813) 253-7685
Dean of Associate in Science & Technical Programs (813) 253-7604
Advising and Counseling (813) 253-7602
Campus President (813) 253-7755
Evening Campus Manager (813) 253-7718
TDD: (813) 253-7785

The Ybor City campus is situated in the heart of Tampa’s Historic Latin Quarter. Interspersed with the existing historic structures in Ybor City, the campus buildings were architecturally designed to blend with the surroundings.

The campus is minutes away from downtown Tampa and easily accessible to all sections of the county via Interstate 4, State Highway 60, and the Lee Roy Selmon Expressway.

The Ybor City campus specializes in the program areas of childcare, business management, computer programming, office education, fire science, art, drama, music and criminal justice training. Also available is a full complement of general education offerings.

HCC’s fine arts complex, which features studios, classrooms, a gallery, a theatre and an auditorium, is located here. The campus also boasts an administration building, a faculty building and a learning resource center.

MacDill Center
Street address: 8102 Condor Street, MacDill AFB, FL 33621
Telephone: (813) 840-0660, or (813) 828-4226, or (813) 840-0015

HCC’s Education Center on MacDill AFB, part of the Plant City Campus, is open to community civilians as well as military personnel; however, active duty military are always given priority in class space availability.

The program at MacDill is based on an accelerated instructional format organized in five 8-week evening terms and eight 4-week weekend terms per academic year; there are also on-line course offerings. Classes are held in Base-provided classrooms which also accommodate 3 other educational institutions (Embry Riddle University, St. Leo University, Troy University); classrooms are government, not HCC, property.

Students may register for MacDill classes on-line via Web Advisor or at any HCC campus. Only students with routine access to the Base (military personnel, their dependents, and Defense Department employees) may register or be advised at the Center. Students may take classes at MacDill while enrolled in regular-term classes at other HCC campuses. Non-military students and faculty taking on-Base courses must undergo a background investigation before receiving Base access. This process is coordinated by the Center staff. All class space availability questions should be directed to the Center Manager.

Fees must be paid by check, credit card or money order. Cash payments are not accepted at MacDill. Books for MacDill classes are available at the Dale Mabry campus bookstore; please specify that your class is at MacDill. Faculty materials are provided by the Center manager.
**HCC’s Vision, Mission, Values, and Purposes**

**Vision**

Hillsborough Community College will deliver education of the highest standards enabling a diverse community of lifelong learners to achieve their maximum potential in a global society.

**Mission**

Hillsborough Community College, a public, comprehensive institution of higher education, empowers students to excel through dedication to superior teaching and service in an innovative learning environment.

**Values**

Hillsborough Community College values the following:

- **Visionary, Ethical Leadership** that upholds participatory decision-making; that acknowledges the contributions of others; and that creates a culture of openness, inclusion, trust, fairness, respect, loyalty, and appreciation.

- **Academic Quality and Integrity** that maintain the highest standards for providing the educational experiences that will ensure student achievement in current and future endeavors.

- **Accountability** that responds to the College’s internal and external community. The College will provide a work environment that fulfills its mission, and it will continually monitor results and review its strategic plans.

- **Community Relations** that include collaborative partnerships, shared resources, and continuous communication. The College commits itself to community forums, advisory committees, and other means of participation.

- **Educational Support Services** that provide broad access for students through excellent staffing, modern materials, and technological resources. The College will promote student completion of desired programs. Support services aim to enhance student diversity, development, and growth.

- **A Learning Environment** that offers creative delivery of programs and advances opportunities and successes through the use of traditional and nontraditional student-centered instruction.

- **Fiscal Responsibility** that demonstrates sound management, long-range planning, and comprehensive participation in the budget process.

- **Development Opportunities** that focus employees’ work toward students and that motivates employees to maintain high standards.

- **Cultural Diversity** that celebrates individual talents and experiences that enrich one another’s lives as well as improve the College’s curricular and extracurricular offerings.

- **Strategic Planning** that not only responds to internal and external needs, but also assesses and anticipates strengths, weaknesses, and opportunities. This planning will be practical, comprehensive, and visionary in its approaches.

**College Purposes**

Hillsborough Community College provides the following:

- **A University Parallel Program** that offers the courses of study leading to a bachelor’s degree.

- **Technical Programs** that prepare students to be competitive in the global marketplace.
Introduction - Adjunct Faculty Handbook

- **General Education** that offers students the experiences to ensure success in future educational and occupational endeavors, as well as the skills, knowledge, and understanding for a high quality of life.

- **Continuing Education** that provides for lifelong learning through workshops, seminars, and other activities directed toward the specific needs of the College’s constituents.

- **Developmental Education** that reinforces basic skills and prepares students to enter college-level courses.

- **Learning Resources** that continuously develop excellent library services and other activities that support learning.

- **Student Services** that provide a student-focused learning environment to assist students in achieving their educational goals through a diversity of services.

- **Economic Development and Partnerships** that demonstrate efficient and effective responses to community needs, providing an international education program that will enable students to compete globally.
Listed below are some of the rules and procedures of HCC as they relate to the classroom. This list is not inclusive. For additional information regarding the College’s rules and procedures, refer to the HCC Administrative Rules and Procedures or contact your supervisor.

**Contact Time**

It is your responsibility to meet the required contact time for your class(es). Please do not dismiss your class(es) early. Classes that last 75 minutes do not include a break. For classes that last longer, you may give a ten-minute break.

**Class Breaks**

There is no formal provision for class breaks other than that no class breaks are allowed for classes that meet for 75 minutes or less. For classes that meet for longer periods of time, the faculty member may decide whether a break is warranted. Classes may not be dismissed early if there is no class break; they are required to meet for the time scheduled.

**Class Cancellation**

There are two types of class cancellation: canceling the class entirely and canceling a class session. The policy on canceling the class entirely reads: “HCC reserves the right to cancel any class due to low enrollment or other unforeseen circumstances. An effort will be made to notify students of the cancellation as soon as possible. When possible, students will be notified before Drop/Add ends. Students do not have to apply for refunds for canceled classes as refunds are processed automatically.”

For the second type, every effort should be made to avoid canceling class sessions. When we develop the academic calendar, we follow guidelines established by the State Department of Education as well as the Southern Association of Colleges and Schools to ensure that each class meets for the proper number of minutes. It is essential, therefore, that you hold class during each scheduled class period and that you keep the class in session for the entire class period. If an extenuating circumstance arises, bring it to the attention of the appropriate supervisor; he/she will determine whether to cancel class.

**Classroom Courtesy**

At the end of your class, erase whiteboards. Retract or move projection screens out of the way. Move projectors and other equipment out of the way. Return chairs to their normal position, and leave the classroom in order for the next class.

**Class Disruption**

An instructor may temporarily dismiss a student from class for good cause, not to exceed one class period. A faculty member may ask the administrator to remove from a class any student who consistently and willfully acts in such a manner as to disrupt the class and to interfere with other students.

**Discipline of Students**

Students at HCC are required to adhere to the Code of Student Conduct and Disciplinary Procedure, which is published in the Student Handbook (located under Current Students on the HCC homepage). The Campus President through the Dean of Student Services will be responsible for maintaining the discipline of students. You may obtain a copy of the Student Handbook from your supervisor.
Emergencies

It is the responsibility of all faculty members to be thoroughly acquainted with the use of fire alarms, exit facilities and fire extinguishers. Faculty members should also be familiar with the evacuation routes. Instructors should brief students on emergency procedures, routes of evacuation, location of assembly points, and location of “emergency rescue” areas at the beginning of the term. An evacuation drill should be conducted at the beginning of each term. A phone that connects automatically to the Department of Public Safety is located in each classroom.

Emergency Procedures (Fire, Bomb Threats, Etc.)

Upon notification of an emergency situation, a faculty member should:

- Lead a prompt and orderly evacuation of the class. Have students take all personal possessions with them during the evacuation.
- Supervise and assist in the evacuation of any physically disabled students.
- Direct all persons under his/her supervision to stay at least 100 feet away from the scene of the emergency (200 feet for bomb threats) and remain there until given an indication that all is clear.
- When departing, make sure that all windows and doors are closed.
- Remain at the designated assembly point at least 100 feet away from the scene of the emergency (200 feet for bomb threats) until given an indication that all is clear or other instructions are received from college security, administrators, or other HCC officials at the scene.

Emergency Rescue Areas

“Emergency Rescue” areas have been designated and marked on floors above ground level to be used for rescue in the event routes are blocked or evacuation of a physically disabled person(s) cannot be accomplished safely. Emergency response personnel will be notified to check “emergency rescue” areas when they arrive on the scene. Buildings constructed since 1995 have “Areas of Rescue Assistance” equipped with dual communication devices connected to the college security office. In older buildings not so equipped, trapped persons should maintain communication by periodically signaling to people at ground level.

NOTE: An “Emergency Rescue” area should only be used when evacuation by any other means is not possible. Persons using this area should keep communicating to others by voice or signal.

Food and Drink

Neither food nor drinks are allowed in classrooms.

Room Changes

Temporary - In the event that the heating or cooling system malfunctions or other adverse conditions exist that seriously impair the learning climate, a faculty member may temporarily relocate the class. The instructor may contact the night manager for help with relocating a class. If relocating the class is not feasible, dismissal of a class requires prior authorization by the immediate administrator.

Permanent - Any room change request must be approved by your Program Manager, Academic Dean, or other authorized person charged with room assignments, and proper notification given to students. Unauthorized room changes can pose problems for those trying to locate faculty or students in emergency situations.

Substitute Instructor

A faculty member is encouraged to make substitute recommendations but shall not make the final substitute assignments. The supervising dean must approve all substitution arrangements.
COLLEGE POLICY RELATED TO COMPENSATION

Listed below are some of HCC’s rules and procedures as they relate to compensation. Adjunct faculty members are not eligible to receive compensation until their supervisors have determined that their classes will “make;” i.e., that their classes will not be canceled. Therefore, adjunct faculty members are not compensated for any class sessions held with the students prior to the time the class were canceled.

The list below is not inclusive. For additional information regarding the College’s rules and procedures, refer to the HCC Administrative Rules and Procedures or contact your supervisor.

Salary Calculation

Part-time credit-course instructional faculty who have taught satisfactorily at HCC for one to eight semesters will be compensated at the rate of $58.00 per instructional point, based on the number of assigned load points. Those who have taught satisfactorily at HCC for more than eight semesters will be compensated at the rate of $60.00 per instructional point, based on the number of assigned load points. There will be no distinction made for advanced degrees. If a part-time instructor is absent from his/her class, the number of sessions missed will be deducted from his/her pay on a prorated basis. (If a class is scheduled to meet 15 times per term and one session is missed by the instructor, 1/15 of his/her salary for the class will be deducted.)

One (1) lecture credit hour will generate ten (10) points;
One (1) laboratory contact hour will generate eight (8) points;
One (1) clinical contact hour will generate eight (8) points;
One (1) distance learning credit hour will generate ten (10) points.

Instructional load points are negotiated in the HCC District Board of Trustees/FUSA Contract and are subject to change with new contract negotiations.

Method of Payment

At HCC, employees are paid on a biweekly basis. Due to the time required to process employment paperwork, adjunct faculty will not receive their first paycheck until after the term has begun. Payment is made by direct deposit.

Teaching Load

During the fall, spring, and summer terms, adjunct instructors may be assigned to a teaching load of up to 90 points per term by the academic dean. While this normal teaching load may vary somewhat depending upon individual circumstances, a part-time teaching assignment above 90 points must be approved by the respective Campus President.
COLLEGE POLICY RELATED TO CONDUCT

Listed below are some of the rules and procedures of HCC as they relate to employee conduct. This list is not inclusive. For additional information regarding the College’s rules and procedures, refer to the HCC Administrative Rules and Procedures or contact your supervisor.

Absence from Class

Occasionally, personal situations, illness or other circumstances may arise which necessitate an adjunct instructor having to miss a class. Should such a situation develop during the term, please remember that it is your responsibility to contact your academic dean, program manager, or the evening or weekend campus manager so that (s)he can make the proper arrangements for the class. To allow your academic dean sufficient time to find a substitute, such notification should be made as soon as you become aware of your having to miss a class. Under no circumstances should you cancel a class. Likewise, do not send another individual to “cover” your class. Such an individual would be considered a guest speaker and thus would come under the guidelines listed for guest speakers. Please see the Introduction section of this handbook for telephone numbers that will assist you in notifying your supervisor. Pay will be adjusted accordingly.

Alcohol and Drugs

HCC’s alcohol and drug policy states the following:

Hillsborough Community College recognizes the serious nature and potentially harmful effects of using controlled substances in the work place and educational setting. It is the College’s policy to provide both personnel and students with a drug-free work place and learning environment. Nothing less will be acceptable if the College is to be successful with its mission and goals. Consistent with this commitment, College members working together can achieve a “Drug-Free HCC.”

To assist College members in meeting our drug-free goal, the unlawful manufacture, distribution, dispensation, possession or use of controlled substances is prohibited at any time. Additionally, it will be a violation of College policy for an employee or student to use or be under the influence of alcohol or illegal drugs on College property or at a College site. However, for special events, the President may authorize alcoholic beverages to be served on College property or at a College site. Recognizing that there may be employees and students who have an alcohol or drug problem, the College stands willing to assist in the resolution of that problem and encourages employees and students to seek help through their medical provider or, if desired, by the Human Resources Office or by College counselors.

Persons who suspect that they may have an alcoholism or drug dependency problem, even in its early stages, are encouraged to seek diagnosis and follow through with the treatment that may be prescribed by qualified professionals in order to address the problem as early as possible.

It will be the responsibility of all College personnel to implement this policy and to assure that no employee with an alcoholism or drug dependency problem will have his or her job security or employment opportunities jeopardized solely by a self-referral request for diagnosis or treatment.

Nothing in this policy is to be interpreted as constituting a waiver of the College’s responsibility to maintain discipline or the right to hold an employee who is an alcoholic to the same standards for employment qualification, job performance, and behavior as other employees. If an employee is using illegal drugs or finds that the use of illegal drugs or alcohol has become a problem, the employee is strongly urged to speak with the supervisor or to contact the Human Resources Office for assistance. Also, qualified individuals with a disability should refer to existing administrative procedures concerning requests for reasonable accommodations.

To support the College's commitment to a drug-free work place and learning environment, the College will comply with the Florida Drug-Free Workplace Program, Florida Statutes Section
College Policy Related to Conduct - Adjunct Faculty Handbook

440.101, et. seq., and will provide general alcohol and drug education to personnel, including supervisor training in prevention, identification, documentation and referral. In addition, registered students will annually receive alcohol and drug information.

The President will develop and maintain an administrative procedure to implement this policy, to better ensure a drug-free work place and learning environment for the personnel and students at Hillsborough Community College.

**Children on Campus**

To ensure their safety, children are not permitted on College property, unless the child is supervised by a parent or guardian or participating in a College sponsored event (e.g., Kollege for Kids). Children are not permitted in the classrooms. The College will not be responsible for any type of injury, accident or incident that may occur if a child is brought on College property. This policy applies to children of students as well as children of employees.

**Disciplinary and Corrective Action**

The College maintains a progressive disciplinary and corrective action administrative procedure. Correcting an employee performance or behavior problem is the goal of this procedure and the College has a progressive disciplinary system that is intended to provide information and motivation for personnel to improve. Supervisors will objectively evaluate the circumstances before administering any disciplinary action or corrective action. The degree of discipline to be administered will depend on the severity of the infraction and the circumstances of the case involved. However, certain rule violations are sufficiently severe so as to warrant suspension or termination on the first offense.

The implementation of the College’s disciplinary and corrective action administrative rules and procedures should not be construed as preventing, limiting, or delaying HCC from taking disciplinary action, including immediate discharge, in circumstances where the College deems such action to be appropriate.

For additional information regarding the steps, infractions and the recommended disciplinary and corrective action for each, refer to the appropriate administrative procedure. Nothing contained in the administrative procedure will create an expectancy of continued employment at the College.

**Employee Grievance**

Occasionally, situations arise in which a part-time faculty member feels he/she has a legitimate dispute regarding the procedural applications of policy as related to wages or other terms or conditions of employment. In these situations, the part-time faculty member is encouraged to bring such matters to the immediate attention of his/her academic dean. If the dispute is not resolved through these informal discussions, the issue will be referred to the campus president, whose decision regarding the disposition of issue will be final.

**Guidelines for Appropriate Conduct**

As an integral member of HCC, you are expected to accept certain responsibilities, adhere to certain acceptable business principles in matters of personal conduct, and exhibit a high degree of personal integrity at all times. This not only involves sincere respect for the rights and feelings of others, but also demands that both in your business and in your personal life you refrain from any behavior that might be harmful to you, your coworkers, and/or HCC, or that might be viewed unfavorably by current or potential students or by the public at large. Should your performance, work habits, overall attitude, conduct or demeanor become unsatisfactory in the judgment of HCC, based on violation of the College’s Administrative Rules and Procedures, you will be subject to disciplinary action.

**Interviews and Expressing an Opinion**

Employees who are interviewed or who express their opinion with the news media, magazines, or who participate in another job, may not express their opinions as representatives of the College, unless specifically authorized by the appropriate College personnel.
Keys

As needed for a position, you may receive specific keys to College facilities to provide proper access and to maintain a secure environment. These keys are considered the property of HCC. You may not loan or copy the keys. If you lose a key(s), you must notify the Office of Safety and Security immediately. If you terminate employment with the College, you must turn in the keys in to the Office of Safety and Security prior to receiving your final paycheck.

Maintenance of Equipment

You are encouraged to protect and maintain College equipment. You should promptly contact your immediate supervisor whenever your equipment needs maintenance service.

Maintenance of Work Area

You are expected to set an example of cleanliness and tidiness in appearance and in the work areas. It is expected that you will exercise reasonable care with respect to your personal property. Purses and other valuables should not be left unattended in plain view. If you discover an unsafe or unsightly problem or unclean condition, you should contact your campus president.

Non-Discrimination

Hillsborough Community College is an equal access/equal opportunity employer that makes employment and education-related decisions without regard to race, color, gender, religion, national origin, age, disability, sexual orientation, marital status or any other bias that is or may be prohibited by laws. In addition, the college does not discriminate in employment practices or in the admission and treatment of students. HCC is committed to equitable treatment for all students and employees and to a learning and working environment free of discrimination and harassment for current as well as future students and employees. The college provides equal educational opportunities for qualified individuals with disabilities and complies with, as well as, supports the Americans with Disabilities Act.

HCC's Equity Officer ensures compliance with federal and state laws prohibiting discrimination and sexual harassment. Employees and students who believe they have been a victim of discrimination or sexual harassment should contact the Special Assistant to the President for Equity and Special Programs who will coordinate the appropriate administrative procedure.

Personal Appearance and Demeanor

Discretion in style of dress and behavior is essential to the efficient operation of HCC. You are, therefore, required to dress in appropriate business attire and to behave in a professional, business-like manner, which includes refraining from the use of vulgar language. You should use good judgment in your choice of work clothes and remember to conduct yourself at all times in a way that best represents you and the College.

Harassment

Any employee, student or applicant for employment or admission who believes he/she is the victim of harassment based on sex, pregnancy, sexual orientation, race, national origin, color, age, religion including unwelcome religious persuasion, disability, marital or other protected status may initiate a complaint against the individual allegedly charged with harassment. Harassment will include but is not limited to any slurs, innuendoes or other verbal or physical conduct reflecting on an individual’s race, ethnic background, gender, religion, sexual orientation or disabling condition which has the purpose or effect of creating an intimidating, hostile or offensive educational or work environment; has the purpose or effect of unreasonably interfering with the individual’s work or school performance or participation; or otherwise adversely affects an individual’s employment or educational opportunities.
For procedural steps on harassment allegations, including sexual harassment, please see the Administrative Procedure 2.03 “Methods for Processing Harassment Allegations, Including Sexual Harassment”.

**Smoking**

HCC complies with the Florida Clean Indoor Air Act. Smoking is prohibited in all enclosed indoor areas of all buildings including entryways. Smoking is permitted only in designated and unenclosed outdoor areas. Note: Smoking is not permitted anywhere on the grounds of the SouthShore campus.

**Solicitations**

It is the intent of the College to provide for the exchange of written thoughts and ideas in an orderly fashion and without disruption to the normal operation of the College. The College makes a distinction between commercial and non-commercial literature, posters, handbills, and banners.

To solicit or to distribute literature or other materials at a campus of HCC, a College-related or non-College related individual, group or organization will submit a completed Request to Solicit and Distribute Materials form to the appropriate campus dean of student services with the following information:

1. the name, address and telephone number of the individual submitting the request;
2. the purpose; and
3. a copy of the literature or material to be distributed.

The College reserves the right to designate a specific area for these activities.

The *Request to Solicit and Distribute Materials* form should be submitted at least five (5) working days prior to the activity. (For the District Administrative Offices, the request to solicit or distribute literature or other materials must be submitted to the Vice President of Student Services and Enrollment Management).

Literature or materials that are offensive to good taste may not be distributed, posted or made available to persons at any HCC campus or the District Administrative Offices. College personnel or students who violate this administrative procedure will be handled according to the appropriate administrative procedure on discipline. Non-College personnel who violate this administrative procedure will be asked to leave the College premises.

To post information, literature, posters, bulletins, etc. on bulletin boards assigned to a particular organization, the information must be authorized by the appropriate organization assigned to the particular bulletin board (e.g., FUSA, Student Government Association).

**Use of College Facilities**

The College administrative rules and procedures require that personnel use College equipment, supplies and services for College-related activities and not for personal benefits and/or the benefit of another person or organization. College telephones should be used only for College-related business.
COLLEGE POLICY RELATED TO CURRICULUM

Listed below are some of the rules and procedures of Hillsborough Community College as they relate to curriculum. This list is not inclusive. For additional information regarding the College’s rules and procedures, refer to the HCC Administrative Rules and Procedures or contact your supervisor.

Academic Freedom

With regard to academic freedom, HCC supports the following statement (reprinted from the 2001-04 District Board of Trustees/Faculty United Services Association contract):

A faculty member, whether tenured or not, is entitled to academic freedom:

A. A faculty member is entitled to full freedom in research and in the publication of the results, subject to the adequate performance of his other academic duties.

B. A faculty member is entitled to freedom in the classroom in discussing his subject, in devising and selecting teaching strategies and educational materials and in using them to present his subject. However, he should be careful not to introduce a controversial matter that has no relation to his subject. If the faculty member is the only full-time instructor in a particular course on a given campus, he shall have the right to select the textbook for the course he is scheduled to teach. If the course is one where two or more sections are offered on a campus and are taught by two or more full-time instructors or is part of a sequence of courses that would normally use the same text, he shall have the right to serve on a campus faculty committee appointed to select such texts for courses on that campus, except as noted in Article 8.23, Textbook Selection.

C. The faculty member is a citizen, a member of a learned profession, and an employee of an educational institution. When he speaks or writes as a citizen, he should be free from institutional censorship or discipline, but his special position in the community imposes special obligations. As an individual of learning and an educational employee, he should remember that the public may judge his profession and the institution by his utterances. Hence, he should endeavor at all times to be accurate, to exercise appropriate restraint, to show respect for the opinions of others, and to indicate that he is not an institutional spokesperson.

Advisory Committees

HCC’s main purpose is to provide local residents with an opportunity for an up-to-date, post-secondary education which will also meet the demands of today’s society, including the employment needs of business and industry. In keeping with this, HCC relies heavily on citizen advisory committees, comprising area leaders, employers and employees in various fields, to keep staff abreast of trends and developments in the world of work.

Attendance Policy

Instructors must publish a statement in the course syllabus regarding their attendance policy. Those faculty who differentiate between excused and unexcused behavior must include this information on their course syllabus. It is the student’s responsibility to read the syllabus and to arrange to make up work missed because of absence. A student who registered late should not be penalized for late registration during the drop/add period. **Instructors must keep student attendance records and will be requested to submit these at the end of each term. The grades may be recorded in a standard HCC grade book or electronic spreadsheet. It is imperative that faculty members note the last date of attendance for a student who is awarded a grade of FX. This information will be used to verify the student’s last date of attendance for financial aid and veterans’ benefits purposes.**

Class Roster

Class rosters are available electronically via HawkNet, the College’s on-line information system, at [www.hccfl.edu](http://www.hccfl.edu).
Class Size

At HCC, a minimum number of students must register in a class for that class to be taught. The College reserves the right to cancel the class if the number of students enrolled is too small to justify offering the course or because of other extenuating circumstances.

Classroom Supplies

Classroom supplies may be obtained from your Administrative Supervisor.

CLAS - College Level Academic Skills Requirements

- **College Level Academic Skills (CLAS)**, created by the Florida State Board of Education Senate Bill 1676, requires students to demonstrate proficiency in communication and computation prior to graduating. Effective July 1, 2009.

- **College Level Academic Skills Test (CLAST)** is no longer available after June 30, 2009.

- Students aspiring to receive an A.A. degree or to transfer to a university with 60 or more credits, must meet **CLAS Requirements** in order to graduate.

- Students can use a combination of ACT, CPT, SAT1 or 2.5 GPA in certain courses to meet the College Level Academic Skills (CLAS) requirement.

If you need additional information concerning the CLAS requirements as it relates to the course(s) you are teaching, please see your academic dean.

College Preparatory Program

The College Preparatory Program is designed to improve student performance in the college-entry skills of reading, English and mathematics. See the “College Policy Related to Students” section in this Handbook or the HCC Catalog for more detailed information.

Courses Offered in Non-Traditional Formats

Courses offered in non-traditional formats include distance learning, online, learning communities, computer-based instruction, weekend college, dual enrollment, and acceleration programs. For more information on distance learning opportunities, contact the Director of Academic Technology at 253-7017. For information on dual enrollment and weekend college, contact the Director of Associate in Arts Degree Programs at 253-7002.

Copyright Compliance

HCC adheres to the provisions of the United States Copyright Law and to the Fair Use Guidelines. The College has established a procedure, *Copyright Compliance*, to assist employees and students in adhering to those provisions. Copies of the procedure are available from your supervisor.

The use of audiovisual (AV) software is limited to those materials that have been lawfully purchased or made for the purpose of instructional use in a classroom. The AV software must be part of the regular instructional process and the use must be by the teacher and students, face-to-face. AV software may not be used for extracurricular purposes unless written permission has been secured. Refer to the copyright compliance procedure.

Take care when requesting or making photocopies. The copyright law and related guidelines protect the holder of the copyright and offer only a limited number of privileges even to the academic community. Any request for duplication of published materials must be approved by your academic dean to insure that no copyright violations are
taking place. HCC does not approve of any unauthorized duplication of materials and will not accept responsibility for any individual violating this policy.

Course Syllabi

All full-time and part-time faculty are required to provide students with course syllabi no later than the end of the second week of class. Syllabi MUST contain the following information. Instructors are required to give a copy of their syllabus to their academic dean within two weeks of the beginning of their class.

Course: number/prefix, title, term, meeting day and time
Course Intended Outcomes: to be supplied by your dean. Course intended outcomes as approved through the cluster/academic affairs process are also available in Public Folders.

Instructor's Name
Instructor's Office Hours: day and time
Location of Office
Office Phone Number
Email Address(es)/Other Contact Information
Class Schedule
Course Description
Course Objectives
Textbook and Materials: required and supplemental
Grading System to be used in course

Academic Dishonesty Policy
Request for Accommodations
Assignments
Number and Types of Tests (i.e. essay, objective, etc.) to be given
Gordon Rule Requirements if applicable
Attendance Policy (See information under "Attendance Policy" above.)
Cheating Policy
Instructional Methods to be used (e.g., examination policy, lecture, movie, field trips)
Lecture Schedule and/or Course Calendar

It is suggested that your syllabus include the last day to drop a class with a refund and the last day to withdraw without a grade. This information is especially helpful for students whose class(es) meet on dates that do not align with the regular academic calendar.

Instructors must publish a makeup policy, testing policy and attendance policy with the course syllabus (outline). As soon as you have been assigned a course to teach, you should prepare your course outline. If duplication services are needed, give it to Campus Services as quickly as possible.

You must use approved course objectives on your syllabus. Approved copies of standard course objectives can be obtained from your academic dean. A copy of your course outline and calendar must be sent to the office of your dean for filing and future references.

If you are teaching a general education course, please include on your syllabus as many general education outcome statements as apply (see the complete list below).

General Education Outcome Statements
Students who complete their HCC general education core curriculum should be able to demonstrate their:

- Ability to think critically.
- Ability to express themselves clearly in written and oral communication.
- Ability to express themselves effectively in quantitative terms.
- Understanding of and appreciation for the value and significance of culture.
- Appreciation of the scientific method of inquiry and the historical and contemporary impact of science on daily life.
- Understanding of global political, social, economic, and historical perspectives.
- Ability to use technology to access, retrieve, process, and communicate information.

**Discipline-Specific Guidelines**

See your program manager or academic dean for discipline-specific guidelines.

**Educational Support Services**

**Duplication Facilities**: Each campus maintains duplication equipment for reproduction of printed materials. Please note that only materials to be used in your classroom will be printed or duplicated by HCC staff. Likewise, only materials to be used in the classroom should be duplicated on HCC equipment. Staff will need sufficient lead time to get your work done. Be sure to check with the applicable Duplication Facility’s staff as to the amount of lead time required.

**Libraries/Learning Resources Centers**: Each campus library/LRC provides materials supporting the curriculum and objectives of HCC. The following campus services are available to all faculty:

<table>
<thead>
<tr>
<th>Library/LRC</th>
<th>Library Services</th>
<th>AV Services</th>
</tr>
</thead>
<tbody>
<tr>
<td>Brandon LRC:</td>
<td>ext. 7803</td>
<td>ext. 7803</td>
</tr>
<tr>
<td>Dale Mabry LRC:</td>
<td>ext. 7381</td>
<td>ext. 7384</td>
</tr>
<tr>
<td>Plant City LRC:</td>
<td>ext. 2109</td>
<td>ext. 2120</td>

<tr>
<td>Ybor City LRC:</td>
<td>ext. 7645</td>
<td>ext. 7615</td>
</tr>
<tr>
<td>MacDill Center LRC:</td>
<td>ext. 828-3607</td>
<td>ext. 5744</td>
</tr>
</tbody>
</table>

- **Audiovisual Materials (AV) and Services** - AV equipment and programs may be requested by contacting the campus library/LRC or campus AV office. Programs may also be assigned for student use in the learning labs of each campus. You are invited to visit your campus library/LRC for more information on services, resources and procedures.

- **Bibliographic Instruction** - Please schedule with a librarian. The instruction can be for general library research or tailored to fit a specific class assignment.

- **Determine Holdings for Class Assignments** - A librarian will identify resources which support your course syllabi and prepare reading lists. If students are required to use specific library resources, a librarian should verify the availability of the resources and also suggest additional resources which might be appropriate.

- **Internet Access** - Access is provided through the electronic catalog known as LINCC (Library Information Network for Community Colleges).

- **Interlibrary Loan** - Librarians or library staff will borrow materials or obtain photocopies from other libraries.

- **Materials Selection** - The librarians work closely with faculty and involve them in materials selection as outlined in the HCC Collections Development Policy. You are invited to visit your campus library for more information on services, resources, and procedures and to apply for a library card.

- **Research Assistance** - A librarian will conduct literature searches, prepare bibliographies, and provide general reference information.

- **Reserves** - Personal copies or library materials may be placed on reserve.

**Test Centers**: Test Centers, located on all campuses, administer faculty make-up, placement, and counseling-related tests. To take tests, students must show two forms of identification (ID), one of which must bear a current photo. Students and faculty members should contact the Test Center for hours of operation.
Students with disabilities needing alternative testing arrangements must contact an HCC Coordinator of Services for Students with Disabilities. Listed below are the telephone numbers for each:

- Brandon Campus: 253-7914 or 253-7858 (TDD)
- Dale Mabry Campus: 253-7031 or 253-7035 (TDD)
- Plant City Campus or MacDill Education Center: 757-2208 or 757-2166 (TDD)
- Ybor City Campus: 253-7757 or 253-7785 (TDD)
- SouthShore Campus: 253-7000 ext. 5764

**End of Term**

**Final Grades** - The information regarding processing of final grades is found in the "College Policy Regarding Grades" section of this Handbook.

**Maintaining Student Records** - Faculty members should keep proof of student grades for one full year. HCC maintains student records on paper, microfilm, and computer files. Students have one year to correct any discrepancies in these records. After that, source documents for microfilm and computer files may no longer be available. Therefore, the burden of proof for changes made after the one-year period lies with the student.

**Exam Schedule**

During the last three days of the fall and spring terms of each academic year, the class schedule is modified to allow for two-hour examination periods. This schedule modification applies only to Monday through Friday daytime classes. No modifications are made for evening or weekend classes since those class periods are already of sufficient length to allow for final examinations. Faculty members must follow the exam schedule. No finals exam should be administered the week prior to final examinations. While you are not required to give a comprehensive final exam, you are required to meet your classes on these exam days. If you do not wish to give a final exam, the time may be used for such activities as a final lecture period, a course review period, or a final grade review with students. The final exam schedule for the fall and spring terms is contained in the Student Handbook, or you may obtain a copy of the schedule from your supervisor.

**Field Trips**

If you intend to take your class on a field trip, you must have each student complete and sign a Release and Hold Harmless form. The form must be signed by your academic dean prior to taking the field trip. A copy of this form can be obtained from your dean’s office.

**First Class Meeting**

During the first class meeting, an instructor should discuss with the students all requirements and grading procedures for the course; including makeup policy, testing policy, and attendance policy. These requirements must be printed in the course syllabus/calendar which is to be distributed the first day of class if possible. Faculty should not deviate from these policies during the term unless the change applies to the entire class in a positive manner. It is difficult or impossible for the dean to defend a faculty member in a controversy with a student when exceptions to the above procedures are made.

Instructors should also discuss prerequisites with students during the first class meeting. If a student does not meet the course prerequisites, he/she should be informed and directed to admissions, registration, and records for a schedule adjustment.

**General Education**

General Education provides a foundation upon which a student’s learning experience is built. It offers students the opportunity to acquire the skills and knowledge necessary to have a broad understanding of a changing world.
The HCC general education program is designed to provide students with the knowledge, skills, and vision necessary to allow them to become valued participants in a complex and culturally diverse world. The program encourages intellectual inquiry, helping students to develop an understanding of the human mind and spirit, as well as a sense of history and the dynamics of the society around them.

As students plan for the world that lays ahead of them, the general education program gives them an appreciation of the world that preceded them, as well as a frame of reference for the world in which they live.

Students who complete the HCC General Education core curriculum should be able to demonstrate their:

- Ability to think critically
- Ability to express themselves clearly in written and oral communication
- Ability to express themselves effectively in quantitative terms
- Understanding of and appreciation for the value and significance of culture
- Appreciation of the scientific method of inquiry and the historical and contemporary impact of science on daily life
- Understanding of global political, social, economic, and historical perspectives
- Ability to use technology to access, retrieve, process, and communicate information

**Gordon Rule**

**Gordon Rule Requirements**

State Board of Education Rule 6A-10.030 (the Gordon Rule) is a rule stipulating requirements of student performance in both the communications and mathematics areas. Satisfactory completion of this rule requires that a student earn a grade of “C” or better in each applicable course.

Students fulfill the Gordon Rule requirement upon successful completion of the general education curriculum. Within the communications area, the student is required to complete writing assignments as designated in the instructor’s syllabi in the areas of English, humanities, history, natural science, physical science, behavioral science, and history/political science. Within the mathematics area, completion of the general education mathematics courses fulfills the requirement. Prerequisite courses must be completed, or appropriate test scores attained, before enrolling in Gordon Rule courses.

Compliance with the Gordon Rule is a separate process from compliance with the CLAS requirements.

**Guest Speakers**

A written request to invite an outside speaker must be submitted by a full-time or part-time faculty member through the appropriate academic dean for review and approval by the campus president at least two (2) weeks prior to the event. See your academic dean for a copy of the form required.

**Records Management**

HCC follows Florida Statute directives and operates a records management program. Any tests or examinations you give to students and receive back must be retained for one year. Gordon Rule papers have the same retention requirements. Of course, you may return these tests and papers to the students, in which case you do not have to comply with this retention requirement.

**Religious Observances**

HCC will reasonably accommodate the religious observances, practices, and beliefs of students pertaining to the admission, class attendance, and the scheduling of examinations and work assignments. Students will notify each instructor at least one week prior to an intended religious observance. Students may implement the administrative procedure for a student grievance if they believe they have been unreasonably denied an educational benefit due to their beliefs or practices.
Textbooks

Textbook adoptions are based upon the request of full-time faculty committees on each campus. **You must use the textbook assigned to the course.** Your academic dean will provide you with a copy of the required text and any other support materials for your course. You will be required to sign for these books and return them to the dean’s office at the end of the term in which you are teaching. When there is a required text for a course, this text is to be identified in the course outline and used as one of the instructional tools for that course. **While adjunct instructors do not have the prerogative of making the textbook optional for their students,** they should discuss their textbook suggestions or concerns with full-time faculty and with their academic dean. **As instructors, your textbook suggestions are extremely valuable.**
Listed below are some of the rules and procedures of HCC as they relate to employment. This list is not inclusive. For additional information regarding the College’s rules and procedures, refer to the HCC Administrative Rules and Procedures or contact your supervisor.

**Access to Computers**

Each campus is equipped with facilities that allow faculty members access to computers. The respective campus president or dean will determine policy regarding the availability of and access to computers.

**AIDS**

HCC recognizes that employees with a life-threatening illness such as AIDS may wish to continue their employment and, in fact, that continued employment may be therapeutically important to their recovery process. The College also recognizes that it must satisfy its legal obligation to provide a safe work and educational environment for all employees, students and visitors to our premises. As long as employees who have AIDS are able to maintain acceptable performance standards according to established College policies and procedures, and the weight of medical evidence continues to indicate that AIDS cannot be transmitted by casual workplace contact, employees with AIDS will be permitted to continue to work. In determining such an employee’s ability to continue in employment, the College will consider making reasonable accommodations to the employee’s condition, consistent with applicable federal, state and local laws. As part of its overall AIDS program, HCC conducts periodic training sessions with employees to provide information about the nature of this disease and to help prevent the fear often experienced by employees due to lack of understanding of AIDS and especially how it can be transmitted.

**College Property**

No College materials, equipment, or property can be removed from the College premises unless such action is necessary for College-related business or College-sponsored activities. Requests to remove property must be approved by the appropriate administrator. Unauthorized use or misuse of property may result in disciplinary action or termination.

**Discrimination and Sexual Harassment**

Please see College policy regarding these topics in the “College Policy Related to Conduct” section of this handbook.

**Employment of Aliens**

Federal laws prohibit the employment of unauthorized aliens. Proof of eligibility for employment must be provided by the prospective employee before commencing employment.

**Employment Papers**

Before adjunct instructors can be hired and placed on the HCC payroll, they must undergo a credentials certification process. Certification to teach credit courses at the college level generally requires that the instructor have a master’s degree. As a part of or in addition to the master’s program, instructors must have successfully completed eighteen (18) graduate semester hours in the academic area in which they are being certified to teach.

Human Resources must conduct a background investigation through the Florida Department of Law Enforcement (FDLE) before hiring applicants selected for adjunct faculty positions (excluding public safety, fire protection, and dual enrollment). Adjunct faculty will need a background investigation unless (1) an investigation was completed after January 3, 2001, and (2) the gap in employment with the College did not exceed one year.

Employment Eligibility Verification (Form I-9) – The purpose of this form is to document that each new employee (both citizen and noncitizen) hired after November 6, 1986 is authorized to work in the United States. The
College Policy Related to Grades - Adjunct Faculty Handbook

administrator or supervisor making an offer of employment will advise candidates of the requirement to show proof of employment eligibility and will instruct the candidates to appear in person with supporting documents before a College-designated certifying official before they begin work. The candidate may choose to produce any documents listed on the reverse of the I-9 form to prove employment eligibility. Particular documents will not be prescribed nor suggested.

You must also provide the following documents prior to employment:
- Transcripts (if the transcript is a student copy, then an official copy must be requested by the employee and forwarded for inclusion in the records within 30 days of employment. Your dean will let you know if transcripts are not required based on the classes you are teaching).
- Evidence of degree or certification if it is required by the teaching position and is claimed on the application.
- Evidence of a high school diploma or GED if high school is the highest educational level required by the teaching position.

All forms must be completed before employment begins. The originals will be maintained in the HCC Human Resources Office and copies will be filed in the office of your academic dean.

Shortly after the academic term begins, if you have been properly certified and given a teaching assignment, you will be issued an employment contract to cover your teaching load for the term. This contract will specify the salary you are to be paid during the term. The contract must be signed and returned to your academic dean no later than the date indicated on the contract. The academic dean will then forward the contract to the District Administrative Offices for processing.

Evaluation of Teaching

Administrative Evaluation of Teaching: Adjunct instructors are administratively evaluated once a year. If you are teaching a daytime course, the evaluation will be performed either by your academic dean or program manager. If you are teaching an evening course, the evaluation will be conducted by your academic dean, evening manager, or program manager. The evaluation will consist of a classroom visit, which may or may not be arranged beforehand. If the administrator enters your classroom while you are giving an exam, showing a movie, or otherwise not lecturing, he/she will probably leave and come back at a later date.

The administrator will evaluate your classroom performance for a minimum of a 50-minute period. Following the formal classroom visit, the administrator will complete an Adjunct Faculty Evaluation Performance Review form, which will then be given to you for your review and signature. If you wish to make written comments regarding your evaluation, you may do so. These written comments will then be attached to the complete evaluation form. A copy of this signed form will be placed in your personnel file. A copy of the form is located in Appendix B of this handbook.

Student Evaluation of Teaching: Student evaluations are done once per term to give instructors an idea of how they are being perceived by their students. Your academic dean or evening manager will give the student evaluation forms to you. He/she will also explain the process for administering the evaluation and where to return the completed forms. A sample copy of a currently used student evaluation form is located in Appendix C of this handbook. The student evaluation criteria serves as a basis for evaluation along with the evaluator’s assessment of the presentation to the student during classroom visitation.

Human Resources Office

The Human Resources Office is located on the second floor of the District Administrative Offices on Davis Islands. Any questions regarding all personnel-related matters, including employment practices and employee benefits, should be directed to the Human Resources Office.

Mail and College E-mail

On each campus, adjunct faculty are provided with campus mailboxes and college email. Formal communication between the administration and part-time faculty will be primarily through email. Messages from students will be
placed in your campus mailboxes. It is imperative that you check your mailbox and your college email on a regular basis to receive your mail in a timely manner.

**Office Hours**

All instructional staff (including part-time instructors) are required to maintain office hours. On each campus, an area has been designated as the adjunct faculty office area. Be sure you locate this area, inform your students of the location, and remind students of your office hours as listed on your course outline. Please note that the office area is available for your use only during the term in which you are teaching.

With the exception of music adjuncts, adjunct faculty are expected to maintain at least 20 minutes of posted and maintained office hours per credit hour per week, and 10 minutes of availability per credit hour per week. Therefore, you are expected to post and maintain one hour of office hours per three credit hours per week and be available to meet with students for an additional 30 minutes per week outside of office or class hours. Applied music adjuncts, by delivery, teach on a one-to-one basis and will calculate their office hours based upon faculty workload points (vs. credit hours) according to the following formula: Total Load Points divided by 10 multiplied by 20 minutes divided by 60 minutes equals the posted office hours. As with all adjuncts, adjunct music faculty are to be available to meet with students for an additional 30 minutes per week outside of office or class hours. If adjuncts are not available by appointment in person, they may do their office hours online.

Copies of your office hours should be turned in to your academic dean on the appropriate form by the end of the first week of class. The administrative procedure which outlines the college’s policy on part-time faculty office hours is located in any academic dean’s office.

**Orientation Session**

As of Fall 2002, formal orientation sessions may be scheduled once every major term. Your supervisor will provide you with campus-specific and/or discipline-specific information about the course(s) you will teach.

**Parking**

Adjunct faculty should contact their deans for specific instructions related to parking.

**Personnel Files**

The Human Resources Office maintains official personnel files on each employee. These files contain documentation regarding all aspects of the individual’s employment with the College, such as salary, evaluations, beneficiary designation forms, disciplinary documentation, and letters of commendation. You may review your personnel file by contacting the Human Resources Office.

**Priority Staffing Policy**

Full-time faculty members at HCC work under a contract that is collectively bargained between the faculty union and the District Board of Trustees. That contract gives full-time faculty priority over part-time faculty for course assignments on all campuses. It is possible that you may be offered a class to teach and subsequently be bumped from that class by a full-time instructor. This normally happens when a class scheduled to be taught by a full-time instructor is cancelled, and the instructor needs another class to meet his/her contractual teaching load.

**Reasonable Accommodation**

For procedural guidelines on reasonable accommodations for employees with disabilities, please see Administrative Procedure 3.16, “Reasonable Accommodations for Employees with Disabilities”.
College Policy Related to Grades

Grading Policies

Students will be awarded letter grades for courses taken at HCC. The following list shows the grades recognized by the College.

Grades used in computing grade point average (GPA):

<table>
<thead>
<tr>
<th>Grade</th>
<th>Interpretation</th>
<th>Point Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>4</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
<td>3</td>
</tr>
<tr>
<td>C</td>
<td>Average</td>
<td>2</td>
</tr>
<tr>
<td>D</td>
<td>Poor</td>
<td>1</td>
</tr>
<tr>
<td>F</td>
<td>Failure</td>
<td>0</td>
</tr>
<tr>
<td>FX*</td>
<td>Failure – Stopped</td>
<td>0</td>
</tr>
<tr>
<td></td>
<td>Attending</td>
<td></td>
</tr>
</tbody>
</table>

*Note: FX – means stopped attending and will be treated like an “F” grade. The last date of attendance must be recorded whenever the FX is awarded. An FX grade appears as an “F” grade on the transcript.

Grades not used in computing GPA:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Interpretation</th>
</tr>
</thead>
<tbody>
<tr>
<td>AU</td>
<td>Audit</td>
</tr>
<tr>
<td>AW</td>
<td>Administrative Withdrawal</td>
</tr>
<tr>
<td>I</td>
<td>Incomplete</td>
</tr>
<tr>
<td>N</td>
<td>No Credit</td>
</tr>
<tr>
<td>NR</td>
<td>Grade not reported by instructor</td>
</tr>
<tr>
<td>S</td>
<td>Satisfactory</td>
</tr>
<tr>
<td>W</td>
<td>Withdrawal</td>
</tr>
<tr>
<td>WN</td>
<td>Withdrawal, non attendance</td>
</tr>
</tbody>
</table>

The following letter grades have special requirements:

**Audit**: awarded to a students who enroll in credit classes for enrichment but not for credit. A change in enrollment from credit to audit or audit to credit can be made only during the designated schedule adjustment (drop/add) period.

**Administrative Withdrawal**: awarded by the College for reasons such as non-payment of fees, non-compliance with rules, or extenuating circumstances.

**Incomplete**: awarded only when requested by the students, approved by the instructors, and confirmed by the appropriate academic deans. “I” grades are given only when unforeseen circumstances prevent students from completing course requirements during the regular term. An “I” contract is agreed upon and signed by both students and instructors. Contracts include a list of the course requirements students must complete and the deadline by which the work must be completed. To be eligible for an “I,” students must have satisfactorily completed at least two-thirds of the course requirements. “I” grades must be removed before the end of the eighth week of the following term (excluding summer term), or they will be changed to “F” grades on the students’ permanent records. Students should refer to the Student Services Important Calendar Dates for Students.

**No Credit (N)**: “N” grades are awarded only in college preparatory courses. The “N” grade is awarded to students who attend class through the end of the term but who do not reach the level of skill or knowledge required to move on to the next course. Students who receive an “N” grade do not earn credits, and “N” grades are not included in calculating students’ cumulative GPAs. Students who receive “N” grades must repeat the courses during the following term.
Grade Not Reported — When instructors omit a grade, the notation “NR” is placed on transcripts.
Withdrawal — awarded to students who officially withdraw by the deadline.
WN — initiated by instructors and awarded to students who have not attended during the first 10 class days of a regular term. The student is financially responsible for the cost of the courses.

Final or End of Term Grades

Faculty must enter their grades via the web – HawkNet-WebAdvisor. Grades are due 48 hours after the section ends. Instructions for entering grades can be found in the public folders. Public Folders, All Public Folders, Education and Student Development, ARR. The name of the document is Faculty Grading Handout – HawkNet Tutorial. Grades are updated to the student record at midnight (students will be able to see the grades on the day after the instructor posts the grades). For instructors using Campus Cruiser, this may be different.

Faculty may not award a grade of W or WN at the end of the course. The WN grade is awarded by the faculty as part of the Non-Attendance Confirmation procedure. A grade of W indicates a withdrawal from the section initiated by the student.

Academic Appeals

Students must adhere to the standards of academic performance as established in the course syllabus. However, students are protected against prejudicial or capricious evaluation and may dispute an assigned grade by asking the instructor for reconsideration. If the grade remains in dispute, students should contact the campus dean of student services, who will then address the issue via the academic grievance procedure. No grade will be changed without the approval of the instructor and the campus president.

Grade Point Average

Each letter grade has a point value. To determine a grade point average (GPA), multiply the number of points for each grade earned times the number of the course’s credits. A “B” (3 points) in a 3-credit course is worth 9 points. An “A” (4 points) in the same 3-credit course is worth 12 points. Add the total grade-point values for all courses and divide by the total number of credit hours to find GPA.

Example:

<table>
<thead>
<tr>
<th>Course</th>
<th>Credits</th>
<th>Grade</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>ENC 1101</td>
<td>3</td>
<td>A</td>
<td>12</td>
</tr>
<tr>
<td>CGS 1000</td>
<td>3</td>
<td>C</td>
<td>6</td>
</tr>
<tr>
<td>HUM 2210</td>
<td>3</td>
<td>F</td>
<td>0</td>
</tr>
<tr>
<td>PEM 1954</td>
<td>1</td>
<td>B</td>
<td>3</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td>10</td>
<td><strong>21 Points</strong></td>
<td></td>
</tr>
</tbody>
</table>

Divide 21 points by 10 credits = 2.10 GPA.

A GPA of 2.0 or higher is required for an associate degree from HCC.
COLLEGE POLICY RELATED TO SAFETY AND SECURITY

In addition to the information that appears below, see related safety issues in the section on college policy related to the classroom. Specifically, see the sections on emergencies, emergency procedures, and emergency rescue areas.

Assault or Threat

Any work-connected case of assault or threat of bodily harm to a faculty member shall be reported to the faculty member’s dean or program manager, and simultaneously to security, who shall ascertain the facts surrounding the issue and take appropriate action. The dean will notify the faculty member of a decision concerning the matter. If the assault or threat involves a student, a consultation with the faculty member and student will be held. If the continued presence of the student is considered detrimental to the educational process in that class, the student will be transferred or withdrawn from that class.

Campus Disturbances

No one is permitted to knowingly disrupt or interfere with the administration, function, or activities of any educational institution according to state law (FS 877.13). In addition, no one is to encourage a student to disrupt the educational process or to interfere with the attendance of any student or employee. Any person who violates this law may be charged with a second degree misdemeanor and, upon conviction, be fined up to $500, subjected to 60 days imprisonment, or both.

Security

HCC’s security force, which is available to assist all students and employees, patrols college property to detect and deter criminal activity; provides protection to individuals on campus; provides security of college property; and detects and documents hazardous, unusual, and suspicious conditions. The security office provides information and assistance on a 24-hour basis. The security office utilizes uniformed patrol officers with marked vehicles and officers on foot patrol to observe, to detect criminals and suspicious activities, to enforce traffic and parking regulations, and to assist students and employees in related matters.

Students, employees, and members of the community are required to adhere to all local, state, and federal laws, statutes, and ordinances in addition to HCC administrative rules and procedures. The security office is responsible for monitoring compliance of these laws and many of the rules and procedures at HCC. Responsible students or employees should take the following actions:

- notify the security office of suspicious conduct, criminal activities, and hazardous situations.
- refrain from leaving doors and windows open.
- walk to cars and classes in groups or with a companion. (Call an officer at 253-7911 if students or faculty need someone to walk them to their cars.)
- walk in well-lighted areas at night, even when in a group.
- use intuition - if you feel you are being followed, change direction and walk toward a group of people or a secure area.
- watch and maintain possession of your belongings.
- avoid strangers that appear suspicious or out of place.
- contact security to ask for assistance.

The U.S. Department of Defense Personnel Security Research Center (PERSEREC) recommends the following personal conduct guidelines, reproduced from *Combating Workplace Violence/Guidelines for Employers and Law Enforcement*.

**Personal Conduct to Minimize Violence**

Follow these suggestions in your daily interactions with people to de-escalate potentially violent situations. If at any time a person’s behavior starts to escalate beyond your comfort zone, disengage.
Do

- Project calmness: move and speak slowly, quietly and confidently.
- Be an empathetic listener: encourage the person to talk and listen patiently.
- Focus your attention on the other person to let them know you are interested in what they have to say.
- Maintain a relaxed yet attentive posture and position yourself at a right angle rather than directly in front of the other person.
- Acknowledge the person’s feelings. Indicate that you can see he or she is upset.
- Ask for small, specific favors such as asking the person to move to a quieter area.
- Establish ground rules if unreasonable behavior persists. Calmly describe the consequences of any violent behavior.
- Use delaying tactics which will give the person time to calm down. For example, offer a drink of water (in a disposable cup).
- Be reassuring and point out choices. Break big problems into smaller, more manageable problems.
- Accept criticism in a positive way. When a complaint might be true, use statements like “You’re probably right” or “It was my fault”. If the criticism seems unwarranted, ask clarifying questions.
- Ask for his recommendations. Repeat back to him what you feel he is requesting of you.
- Arrange yourself so that a visitor cannot block your access to an exit.

Do Not

- Use styles of communication which generate hostility such as apathy, brush off, coldness, condescension, robotism, going strictly by the rules or giving the run-around.
- Reject all of a client’s demands from the start.
- Pose in challenging stances such as standing directly opposite someone, hands on hips or crossing your arms. Avoid any physical contact, finger-pointing or long periods of fixed eye contact.
- Make sudden movements which can be seen as threatening. Notice the tone, volume and rate of your speech.
- Challenge, threaten, or dare the individual. Never belittle the person or make him/her feel foolish.
- Criticize or act impatiently toward the agitated individual.
- Attempt to bargain with a threatening individual.
- Try to make the situation seem less serious than it is.
- Make false statements or promises you cannot keep.
- Try to impart a lot of technical or complicated information when emotions are high.
- Take sides or agree with distortions.
- Invade the individual’s personal space. Make sure that there is a space of three to six feet between you and the person.

If you notice situations which may lead to a potential or real safety or security problem, notify the local campus security office or call 253-7911. After hours call 220-7032 (cellular phone). Upon request, the College will make available its policies, procedures, statistics, and information relative to safety and security.

**Threats of Violence**

Threats to do bodily harm or property damage by College personnel, students, visitors, or any other individual against another while at HCC is totally inappropriate. A threat of violence, either verbal or written, expressed or implied, will not, under any circumstances, be tolerated at HCC. Any other threat of a material and substantial disruption to the operation of the College is also prohibited. An employee making any threat prohibited by this rule will be disciplined according to the appropriate administrative procedure, up to and including termination. A student making any threat prohibited by this rule will be disciplined according to the appropriate administrative procedure, up to and including expulsion. Any other individual making any threat prohibited by this rule will be required to leave College property immediately. Notification will be made to the appropriate law enforcement agency when appropriate. The failure of any employee or student to report any threat prohibited by this rule that is made by students, employees, or any other person against any person or the operation of the College will also result in disciplinary action.

PERSEREC provides the following warning signs of violence and inappropriate behavior. The focus is on the employer/employee relationship, but the warning signs are also applicable to the faculty member/student relationship.
Warning Signs of Potentially Violent Individuals

There is no exact method to predict when a person will become violent. One or more of these warning signs may be displayed before a person becomes violent but does not necessarily indicate that an individual will become violent. A display of these signs should trigger concern as they are usually exhibited by people experiencing problems.

- Irrational beliefs and ideas
- Verbal, nonverbal, or written threats or intimidation
- Fascination with weaponry and/or acts of violence
- Expressions of a plan to hurt themselves or others
- Externalization of blame
- Unreciprocated romantic obsession
- Taking up much of a supervisor’s time with behavior or performance problems
- Fear reaction among coworkers/clients
- Drastic change in belief systems
- Displays of unwarranted anger
- New or increased source of stress at home or work
- Inability to take criticism
- Feelings of being victimized
- Intoxication from alcohol or other substances
- Expressions of hopelessness or heightened anxiety
- Productivity and/or attendance problems
- Violence towards inanimate objects
- Steals equipment or sabotages projects
- Lack of concern for the safety of others.

Recognizing Inappropriate Behavior

Inappropriate behavior is often a warning sign of potential hostility or violence. When left unchecked it can escalate to higher levels. Employees who exhibit the following behaviors should be reported:

- Unwelcome name-calling, obscene language, and other abusive behavior
- Intimidation through direct or veiled verbal threats
- Throwing objects in the workplace regardless of the size or type of object being thrown or whether a person is the target of a thrown object
- Physically touching another employee in an intimidating, malicious, or sexually harassing manner. That includes such acts as hitting, slapping, poking, kicking, pinching, grabbing, and pushing
- Physically intimidating others including such acts as obscene gestures, “getting in your face,” and fist-shaking

Use of Force

Subject to Florida law, a faculty member may use such force as is necessary to protect him/herself from attack or to prevent injury to another student. Any student disturbance of this or any matter should be reported to the campus security at once.
COLLEGE POLICY RELATED TO STUDENTS

The following student-related information is condensed from the HCC Catalog and other documents for a brief overview. Please see the Catalog for further explanation or contact your academic dean.

Acceleration Programs

Advanced Placement (AP): college credit awarded based on scores from the College Board Advanced Placement Program examinations.

Certified Professional Secretary (CPS): college credit awarded when Certified Professional Secretary Exam passed with “CPS” designation.

College Level Examination Program (CLEP): demonstrated achievement through both general and subject exams results in college credit.

Credit by Examination: Credit earned in approved courses by scoring at least a “C” on the appropriate HCC examination.

DANTES: credit earned in State approved courses for successful completion of Defense Activity for Non-Traditional Education Support (DANTES) exams.

Dual Enrollment: credit awarded simultaneously for high school and college for in-state courses designated as Dual Enrollment.

Experiential Credit: credit awarded for experience in a limited number of technical programs.

International Baccalaureate (IB): awarded when student meets curricular, service, and thesis requirements and scores at a prescribed level on the internationally standardized subject examinations.

Alumni Association

HCC has an Alumni Association under the auspices of HCC’s Institutional Advancement Department. Alumni Association members are committed to being advocates for the College. The organization actively supports the academic programs and strives to raise the visibility of the College by implementing its primary goals. These goals focus on attracting new students and providing resources in support of student academic success, communicating College needs to alumni, and increasing alumni participation with College programs. For more information, call 253-7018.

Articulation Agreements

HCC has many articulation and other agreements with technical centers, other colleges, and universities. For more information on these agreements, please contact the Associate in Arts and Technical Programs Departments.

Grade Confidentiality

At HCC, grade confidentiality is considered to be an important part of a student’s right to privacy. Accordingly, student grades are to be treated as confidential information shared only between the individual student and his/her instructor. A student’s grades are not to be discussed with anyone other than the student and are not to be posted by social security number or name. See the HCC Catalog for more information regarding confidentiality of student records.

HCC Live Information 24/7

HCC Live 24/7 is the name of the college wide call center that connects students with direct assistance with financial aid, admissions, financial services, distance learning, and the technology help desk. HCC Live features live chat, phone assistance, email exchange, and call back, as well as a detailed self-help online knowledge base to provide a single reference for answers to many of the students’ questions. The call center contact number is (813) 253-7000 or the Toll Free number is (877) 736-2575. For more information about the HCC Live Information 24/7 go to our website at www.hccfl.edu.
**Information about Students**

Please note that access to student records is regulated by the Family Educational Rights and Privacy Act of 1974 (FERPA), also known as the “Buckley Amendment.” A complete overview of the Buckley Amendment is located in Appendix D of this handbook.

**Special Programs**

**College Preparatory Program:** utilizes individualized, competency-based instruction through a combined lecture/lab approach for students who test below the state-adopted minimum scores on the college placement test. Those students who test into two or more college preparatory classes in English, reading, and/or mathematics must register for the College Preparatory Program. Students who test into only one college preparatory area may choose to participate in the Program.

Students who have not completed all of their college preparatory courses by the time they have earned 12 hours of college-level credit must register simultaneously for their required preparatory courses and any college-level credit courses they are eligible to take. These students may enroll in no more than two college preparatory courses per semester and in no more than 13 credit hours per term.

Students taking a college preparatory course for the third time will be charged the full cost of instruction (withdrawal from a course counts as an attempt). Students who have serious extenuating circumstances may petition the applicable campus Dean of Student Services for an exemption from paying the full cost of instruction. Students who in three attempts fail to complete satisfactorily a preparatory course, will not be allowed to register again for that course. However, the College encourages such students to enroll in continuing education courses or private vendor programs that are designed to improve students’ college-entry skills. Students who can document that they have completed such course/programs may retake the placement test (F.S. 1008.30).

**Concurrent Admissions Program (ConAP):** HCC admits eligible U.S. Army soldiers upon enlistment and guarantees full admission during enlistment and for two years after they complete active military service. Enlisting Army Reserve soldiers are also eligible, and admission is deferred until completion of initial active-duty training (i.e., about six months).

**Criminal Justice Training Institute:** Operating under the auspices of the Criminal Justice Standards and Training Commission, enrollment is open to law enforcement and corrections officers. Course offerings include Advanced Training, Career Development, and Specialized Training for Law Enforcement & Correctional Officer entry-level training.

**English for Academic Purposes (EAP):** courses designed for students interested in learning to read, speak, and understand the English language to continue in other college credit classes. In the past five years, these courses have served nearly 1,200 students from all over the world.

**HCC at MacDill AFB:** See page 5.

**Honors Program:** designed to promote a rigorous academic program for exceptionally talented and motivated students. With the evolving goal of gaining a comprehensive view of the nature of thought, knowledge, and human understanding in an environment of creative interaction, the students will explore the fundamental ideas of human civilization from a variety of academic disciplines. The honors students will be challenged to accept their moral responsibilities, which include leadership, thoughtful self-governance, and service to others. The Honors Program reflects the mutual commitment by both students and faculty to achieve the following goals:

1. Create an atmosphere of scholarly inquiry with an emphasis on critical research resulting in a major documented paper or project.
2. Cultivate the higher levels of the cognitive domain including application, analysis, synthesis, and evaluation.
3. Experiment with alternative learning strategies to foster an environment of creative interaction and intellectual flexibility.
4. Explore personal attitudes and values to form an ethical canon with which to meet the challenge of a world of extreme transitions.

Honors Work includes a minimum of six Honors courses selected from four of the following five disciplines: Communications, Humanities, Mathematics, Natural Science, Social Science; one-credit orientation seminar; and twelve hours community service per Honors semester. See the HCC Catalog for admission criteria, privileges, and advantages.
Reserve Officers Training Corps: HCC students may participate in the Reserve Officers’ Training Corps (ROTC) programs conducted through the University of South Florida and Florida Southern College.

Servicemembers Opportunity College (SOC): a group of over 400 colleges and universities providing voluntary postsecondary education to members of the military. As an SOC member, HCC recognizes the unique nature of the military lifestyle and is committed to easing transfer of relevant course credits, providing flexible academic residency requirements, and crediting learning from appropriate military training and experiences.

Single Parents, Displaced Homemakers, and Single Pregnant Women Program: provides education, counseling, training, and job placement assistance to promote financial self-sufficiency through high-wage training opportunities for the unemployed, underemployed, or low-income earners.

Student Support Services: a federally funded TRIO program designed to facilitate the retention, graduation, and transfer of disadvantaged students by assisting with academic, career, cultural, and personal development. Students with disabilities, students from low-income families, or students whose parents have not graduated from a four-year college are eligible.

Distance Learning: a variety of Distance Learning options is available each term for students as an alternative to courses offered in the traditional manner. The flexibility and convenience of on-line courses make them the perfect learning alternative for students with demanding work and family responsibilities. Students must meet the same course objectives as in traditional, on-campus courses, including Gordon Rule assignments as appropriate.

Weekend College: Credit courses, which meet the associate degree requirements, are held on Saturday. Under one option, three 16-week terms are offered per academic year. Students taking 6 hours per term can complete degree requirements in 10 terms. Terms vary in length; weekend classes are published in the credit course schedule.

Student Government Constitution – Bill of Student Rights

The Student Government Constitution and Bill of Student Rights, are reproduced in the Student Handbook. A copy of the Handbook may be obtained from your supervisor.

Students with Disabilities

HCC encourages all qualified students to attend the College. As a result, we enjoy a very diverse student population. This diversity includes students with disabilities. HCC makes every effort to help students with disabilities get the most out of attending college by providing services, and reasonable accommodations to ensure access to all academic programs, services and activities, in compliance with the Americans with Disabilities Act of 1990 (ADA).

The ADA defines a person with a disability as any person who has a physical or mental impairment that substantially limits one or more of such person’s life activities; has a record of such impairment; or is regarded as having such an impairment. Examples of disabilities include, but are not limited to, the following: physical impairment, visual impairment, hearing impairment, learning disability, speech/language impairment, alcohol/drug abuse, AIDS, psychiatric disability, and ADD/ADHD.

Depending upon documentation provided to the campus Coordinator of Services for Students with Disabilities, available services/accommodations include, but are not limited to, the following: learning disability specialist, sign language interpreters, note takers, readers, tutors, alternative testing arrangements, recorders, visual magnifiers, and specialized computer hardware and software on campus. All services are free. All accommodations listed on the form provided by the Coordinator of Services for Students with Disabilities for a particular student are to be provided in accordance with the Americans with Disabilities Act (ADA). Faculty members with a question or a concern about an accommodation are strongly encouraged to contact their Academic Dean and the Campus Coordinator of Services for Students with Disabilities at the campus where the class is being taught.

Students needing accommodations must self-identify and provide appropriate documentation of disability to the campus Office of Services for Students with Disabilities. Students may contact the Coordinator of Services for Student with Disabilities to discuss documentation guidelines.
Campus Contacts:
Brandon - Administration Building, Room 217 (253-7914)
Dale Mabry - Student Services Building, Room 208 (259-6035)
Plant City - Student Services Building, Room 101C (757-2209)
Ybor City - Public Service Technology Building, Room 230 (253-7757)

**Students with Learning Disabilities**

If you think a student has a learning disability, refer him/her to the Office of Services for Students with Disabilities (see the last paragraph above for campus-specific contacts). In addition, some of the campuses have Learning Disability Specialists.

Students with a learning disability have average or above average intelligence and a deficit in ONE OR MORE of the following areas: oral expression, listening comprehension, written expression, reading decoding, reading comprehension, mathematic calculation, or mathematic reasoning.

Note: Terms often used to refer to students with learning disabilities are dyslexia, dyscalculia, Specific Learning Disability, SLD, and LD.

Characteristics of students with learning disabilities may include but are not limited to the following:

1. Reads slowly, often rereads material several times for comprehension;
2. Performs frequent or simple spelling errors;
3. Omits words or word endings;
4. Has difficulty copying from text or board;
5. Reverses/confuses numbers and symbols;
6. Has poor mastery of basic math facts;
7. Has difficulty following directions/instructions;
8. Has difficulty with organizational skills;
9. Exhibits inconsistent performance;
10. Has difficulty proofreading work.

Note: Characteristics and degree of severity will vary from student to student. These characteristics alone do not indicate a learning disability.

**Examples of Strength in Narrative Form:**
Areas Needing Improvement, if any:

Based upon this evaluation, I consider the faculty member’s overall performance to be:

- [ ] Satisfactory
- [ ] Satisfactory, Needs Improvement
- [ ] Unsatisfactory

STUDENT EVALUATION FOR FACULTY - is located in the Public Folders, under Human Resources, Forms. You may also contact your Dean for a copy.
THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974
20 U.S.C. ' 1232g

The Family Educational Rights and Privacy Act of 1974 (FERPA), also known as the Buckley Amendment, regulates access to records by generally providing that students, parents or the students themselves, if they have reached the age of 18 or are attending a postsecondary institution, have access to their records but access by others is limited. FERPA applies to any public or private educational agency or institution which receives funds from any federal program administered by the Department of Education. While FERPA does not expressly prohibit certain conduct regarding student records, it provides that federal education funds will be cut off from institutions which do not comply with the law.

FERPA applies to all education records, defined as those records, files, documents, and other materials which contain information directly related to a student and are maintained by the school or person acting for the school. The definition includes admissions files, identification information, scholastic records, standardized test scores, disciplinary records, medical health records, and information pertaining to special services provided to the student. The act excludes the following records from this definition: (1) records of instructional, supervisory, administrative, and educational personnel in the sole possession of the maker and not accessible to or revealed to any other person except a substitute; (2) records of the institutional law enforcement unit if those records are used only for law enforcement purposes, if they are not shared with anyone other than law enforcement officials of the same jurisdiction, and if the personnel of the law enforcement unit do not have access to the institution’s education records; (3) employment records of a student employed by the institution, provided the student is not employed as a condition of his/her status; (4) records of an eligible student which are made or maintained by a physician or other recognized medical professional and are used only in connection with the student’s treatment and are not available to anyone else; (5) records of persons after they are no longer students at the institution, such as a report of jobs held by graduates.

FERPA gives parents of students under the age of eighteen the right of access to all education records kept about their child. Once the child becomes eighteen or attends an institution of postsecondary education (even if under the age of eighteen), the student becomes eligible to see all of his/her education records except (1) financial records of the parents or (2) confidential letters of recommendation placed in the file before January 1, 1975. The student has a right to see any letters of recommendation placed in his/her file after January 1, 1975, unless the right to see them has been waived. An institution may ask a student to waive the right to see letters of recommendation but must clearly explain that the failure to waive such a right will not result in any negative action by the institution.

The parents of a student under the age of eighteen and an eligible student are the only two classes of persons with the right to examine education records. The act permits institutions to grant the right of access to other persons without the parents’ or the student’s consent. Such individuals include (1) institutional officials who have a legitimate educational interest in seeing the information, (2) institutions at which the student seeks or intends to enroll, (3) parents of a student who has reached the age of eighteen or attends a postsecondary school if they claim the student as their tax dependent, (4) certain federal and state authorities if the records are needed to audit or evaluate a federally funded education program, (5) persons connected with an application for or receipt of financial aid, (6) persons who are conducting studies for the institution to develop or validate predictive tests or to improve instruction, and (7) accrediting organizations in order to carry out their accrediting functions.

An institution may designate certain kinds of information as directory information and make it available to the public without the parents’ or the eligible student’s consent. Directory information includes the student’s name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous institution attended, and other similar information.

---

1 Such an individual is called an “eligible student” under the law.
2 The law applies to an institution whose students receive Department of Education funds and, in turn, use those funds at the institution.
3 Under this exception, privately maintained teacher notes about students are not covered under the law if the notes are not shared with anyone but a short-term substitute teacher.
4 An exception provides that these records may be reviewed by a physician or other appropriate professional of the student’s choice.
The institution must, however, inform the student’s parents or the eligible student what information will be included as directory information and provide them with the opportunity to object to the release of specific information about that student without their permission.

No records except directory information may be released to persons other than those specifically listed in FERPA without (1) the written consent of the parents or the eligible student, (2) a court order, or (3) a lawfully issued subpoena. For example, the institution may not release education records to prospective employers, local police, the Federal Bureau of Investigation, or persons running credit checks without the parents’ or the student’s consent.

FERPA provides the eligible student or parents with the right to a hearing to challenge the accuracy of records and the right to place with the records a written statement of disagreement with material contained in the records. Institutions must inform eligible students and their parents on an annual basis of their rights under FERPA and what information is to be treated as directory information. They must also inform these individuals that they have the right to complain about violations by the institution to the Department of Education.

Institutions are also required to adopt a written policy implementing FERPA. The policy must include (1) how the institution provides the annual notice of the rights of students and parents, (2) the procedure a parent or eligible student must follow to gain access to the student’s records, (3) whether the institution will make copies of the records for the parent or student and, if so, for what fee, (4) a list of the types and locations of education records kept and the official responsible for them, (5) a definition of who is an institutional official and what is a legitimate educational interest if the institution releases education records to institutional officials, (6) a list of the information classified as directory information, and (7) the procedure a parent or student must follow in order to challenge a record or to place an explanation in the file.

---

5The courts have refused to recognize a private cause of action under FERPA which would permit eligible students to sue an institution for violations of the act. Girardier v. Webster College, 563 F.2d 1267 (8th Cir. 1977).
