HILLSBOROUGH COMMUNITY COLLEGE

CRIMINAL JUSTICE TECHNOLOGY PROGRAM

SIGN-OFF FORM FOR INTERNSHIP MANUAL

I, ____________________________, have read and understand that professional, ethical, Criminal Justice Technology program, Public Service Division of Hillsborough Community College policies and procedures as well as affiliate site guidelines direct my behavior when I am assigned to any internship placement in CCJ 2940-Criminal Justice Internship.

I have reviewed, in the current Criminal Justice Technology Internship Manual, the section for ethical behavior of criminal justice workers, and the section for internship policies and procedures.

I understand that violations of these standards can lead to an affiliate site requesting that I be removed from that site, and that such requests will lead to a failing grade as a result of my conduct which renders me unable to complete the internship in my assigned site.
