MyMathLab

Student Registration for MyMathLab

Website Description
MyMathLab/CourseCompass is a website that you can use to assess your math skills, do homework, take quizzes, view videos, get live tutorial help, and more! Access to this website is with a MyMathLab student kit that comes with your new textbook. For more information about this website, including system requirements, go to www.mymathlab.com.

On-Line Registration
You’ll need:
- Your access code found in your student access kit.
- A valid email address
- Your Professor’s course id number (CONTACT INSTRUCTOR)
- Your school’s zip code: 33619

1. Go to www.coursecompass.com
2. Click on the Register button below students.
3. Review the Before You Start information to ensure you have everything you need to register; click next.
4. Read the privacy policy and license agreement screen and click “I accept” to continue.
5. If you have previously taken a course in CourseCompass, click Yes, Look me up and enter your username and password, if you can remember that information. Otherwise, skip this first step leaving No, I am a new user selected.
6. Enter the 6-word access code from your student access kit or inside your textbook, your school’s zip code, then select your country; click next.
7. Enter your professor’s course ID number. Click next.
8. Fill in all required Personal Information, select your school from the drop-down list, then create your own personal login name and password for the side. Your password must have at least eight characters and include at least one number and one letter. Do not use the login name for the password.
9. Choose 1 of 4 security questions (for use if you forget your password) and type the answer. Click next.
10. Your confirmation and summary screen appears; write down your confirmed login/password (a confirmation email will be sent to you. If you use a Spam email blocker, be sure to allow emails form Pearsoned.com). Click the CourseCompass Log In Now button and use the log in name and password you just created to enter Course Compass. In the future, you will enter your MyMathLab course from this site, www.coursecompass.com, so it’s a good idea to bookmark this page. You will not have to register again for this course.
11. Under Courses you are taking, click on the Course name to access your professor’s web material.

Important: you MUST install all required software plugins to use this website from a home or work computer. A link to the Installation Wizard is located form a button within the MyMathLab website-run the MyMathLab installation wizard. AOL users must minimize that browser and use Internet Explorer. You must also disable any pop-up blockers for this site only.

Inside MyMathLab
Once you are in your MyMathLab course, you will see a series of buttons on the left. Use these to access your online homework, take sample quizzes, and work your Study Plan. Textbook material (videos, worked examples, Tools for Success, etc.) is found under Chapter Contents. Your professor may have customized this website, so features and button names may vary.
