### COMMENTS

Everything you do is great. Congratulations.

We are so fortunate to have these gifted professionals--Alicia and Jeneice--at HCC YBOR. Their presentations to my classes are superb. They are always responsive to my needs and requests for day and evening classes.

Overall, I have been more than satisfied with the library and the services you offer. I especially appreciate the excellent orientations you have done for my research classes. Thank You! You are always accommodating and pleasant.

I have always found the librarians to be very helpful and knowledgeable. Thanks.

Some nights longer till 9 p.m. for evening students.

Staff always very helpful. My students appreciated the information provided. The not knowns are due to my lack of time to fully gain knowledge of all resources available.

As an adjunct Math Instructor, I have not as of yet had the need to use our library nor its valuable resources.

Library staff is one of the best I have worked with in my 30+ years of community college teaching. Librarians are very professional and stay current.

The business and career section is out-dated with materials. You could bookmark web pages and utilize current periodicals, i.e. Business Journal. This area is constantly changing!

My adjunct instructors who have used the library have found it very satisfactory in meeting their needs also.

Not open Saturdays.

Great job!
I am only on campus once a week in the evening. I arrive immediately after my full-time job and after class it is too dark to do anything other than walk directly to my car and leave. Sorry I could not be of more assistance.

We need a large selection of plays for students to borrow. We have a very small collection of classic plays, but very, very few modern plays.

The library is very user friendly.

Staff is very pleasant and immediately accessible, very helpful. I teach from 7-9:45 -- extended hours to 9 p.m. would be wonderful.

I have my students seek statistical studies in academic journals for their particular disciplines.

Too busy.

"Hours open" -- Only in that so many of my students are evening and Saturday students.
"AV Collection" -- Thank you for your video collaboration--very helpful.
"Availability of computers" -- although same problem as above.

The library is wonderful. I am sure the instruction is excellent as well.

I am a new adjunct and I was not familiar with the level of services available... In the future, I would like to use it throughout my class.

Need new science references but money not available!!

I have only used it once (more than 4 years ago) and thus I cannot really evaluate your service.

Excellent service. Excellent staff!

"Hours open" -- Difficult during evening and summer. Library staff very helpful when trying to order needed reference books--Thanks.
