Hillsborough Community College Dance Program would like to welcome the local dance community back to our stage to celebrate “National Dance Week” with our fourth annual “Four Days of Dance” performances. The concert will honor the variety of dance happening in our community by providing an additional opportunity for dance performance and networking.

Last year’s concert had great success. The participants ranged from budding pre-professionals to members of local professional companies. There were over 50 performers onstage over the run of the show. Several audience members commented on the diversity and variety of works performed.

This year offers another great opportunity to get your work out there or to suggest to other colleagues/former pre-professional students to submit their pieces. We would like to spotlight these performances in order to increase the awareness of dance in the Tampa/St. Pete area.

In order to be a part of the performance, you must submit an application and video/DVD of your work. The work should be at a professional level. Students under the age of 15 should not be used in the piece that you submit. Due to the limits of time, each piece should be under 8 minutes and solos should be under 5 minutes. Only finished works will be accepted.

Depending on the number of works selected for the performances, we would like to present variable concerts on these dates. For example: Concert A- Wednesday, Concert B- Thursday, Concert C- Friday, Concert D- Saturday. The bill for each night will be determined by the selected programming. Each of the works chosen will have a tech time scheduled for Saturday, April 13th and/or Sunday, April 14th. Keith Arsenault, Technical Director, is willing work with each group’s choreographer and lighting designer ahead of time to meet your performance needs. We would like to schedule tech times based on program order, but we can be flexible to accommodate scheduling conflicts. We will also be having run-throughs on April 15 & 16th. Although it is a mandatory run you may participate if you would like another opportunity to run your piece.

Promotional materials for the “Four Days of Dance” will be distributed as well. Please send any images you wish to see in promotion to cacosta@hccfl.edu. Images should have photo credit information provided. Only pieces selected to be on the program will be featured in the promotion.

If you have any other questions or need further information feel free to call me at (813) 253-7623.

The deadline for submitting applications and DVD/Video is on Monday, March 18th, 2013. Dance pieces that are selected in the program will be notified by Friday, March 22, 2013
