We are recruiting for...

HCC Dance Club!
The HCC Dance Club is a campus organization that strives to increase awareness of dance within HCC and the community. The club provides a supportive and productive environment for the appreciation and performance of dance.

You do not need to be a great dancer, dance major or have any dance experience.

The club mission includes, but is not limited to:

- Providing information about classes, performances, and choreographic opportunities both on and off campus to students interested in dance.
- Serving as a forum for dancers and as an extension of the HCC curriculum by sponsoring workshops, Master Classes and choreographic works of various styles (emphasizing on those that not offered through the college).
- Working together to produce performances, awareness on campus, and financial support to the HCC Dance Program.

What’s in it for you?

If you are the kind of person who loves to be creative and collaborative, this is the club for you. Not only can you bring your ideas to life, you have a chance to work with diverse groups of students and guest choreographers every semester. There are no rights or wrongs, limits, or specific types of dance.

HCC Dance club also travels out of the City and State. You just need to an active member in the club and have membership points that are accumulated by participating in as little as club meetings and campus events.

Places where we can traveled in the past are:

- New York City, NY
- Wisconsin, MO
- Daytona Beach, FL
- Miami, FL

And many more to come…

***Being a part of Dance club also looks good on your College transcripts. ***

Application Cost and Procedure:

To join the dance club you must complete the registration application and pay your club dues of only $10.00. This will cover your membership for Fall and Spring Semester.

Point System:

Points are awarded for tasks that are completed and benefit the Dance Club.

Come show us what you got!
