*Thank you, SGA! These events are going to be amazing!

On August 16th 2011, SouthShore celebrated the opening of the new Student Union Building and Student Activities Canopy. The ribbon-cutting was officiated by Dr. Witt, Dr. Atwater, and Mr. Rod Jurado.

The SUB is wireless and awaits the installation of eight desktop computers as well as vending machines containing fresh food items. Outside if the SUB is an open-air canopy with picnic benches. These renovations along with others, such as a new financial aid suite, will help make SouthShore a more comfortable environment for students, faculty, and staff.

**HCC Takes Part in Ride-Sharing Zimride**

HCC Zimride, (zimride.hccfl.edu) is Hillsborough Community College’s private social network for ridesharing. Zimride is a fun and easy way to find friends, classmates and colleagues who are going the same way you are. Zimride makes it easy to share the seats in your car or catch a ride.

It’s simple – have a car? Then split the costs of driving fellow HCC community members. Don’t have a car? Find a ride where you need to go. You save money, protect the environment, and have more fun when you share the ride.

Memberships are free and easy. All HCC students, staff and faculty are eligible to sign up for our private Zimride Rideshare Community, just go to zimride.hccfl.edu for more information or to sign up.

**Welcome**

We have a new face in student services. **Carlos Montenegro** will be staffing the front desk and as such will be the first person most people see when they come to our campus. Carlos comes to us from the Dale Mabry Campus where he worked in the President’s office. He brings a strong knowledge base of HCC policy, a great attitude for working with our students and a quick smile to make everyone feel welcome.

Please take a moment to stop by his desk and welcome Carlos.
