Hillsborough Community College  
Brandon Campus Advisory Council  
Friday, May 13, 2011  
10:00 a.m. - BADM 112

Call to Order: The meeting was called to order at 10:05 a.m. by Misty Vorder-Bruegge.

Attendance: Deb Gosh, Joan Rogers, Misty Vorder Bruegge, Denise Samide, Michelle Thompson, LaFran Reddin, Alessandro Anzalone,

Approval of Agenda: Michelle Thompson motioned to approve the agenda; seconded by Denise Samide.

Approval of Minutes: Alessandro Anzalone motioned to approve last month’s minutes; seconded by Debarati Ghosh — with a change in Dr. Soto’s report from the Governor’s budget proposal: 2% was corrected to 3%.

Old Business:

Earth Day Event: CAC teamed up with SGA for the first Earth Day Event. A plant and seed vendor was present which allowed students to plant plants and make decorations. SGA gave out free popcorn and lemonade. CAC gave away free recycled school supplies to students who brought in recyclable item. The school supplies were purchased at Walmart to show students they could access recycled products for no more than they would pay otherwise. Money was also collected so SGA could purchase and plant a tree on campus.

Recycling: Should we keep the recycling posters posted on Campus? The decision was made to keep the recycling posters up, and to scan to see if any needed to be replaced. It was brought up that Dale Mabry has lids for their recycle bins which have holes that specify which items can go into that particular bin, and it was suggested by Misty to look into that for the next academic year. There was conversation about whose budget the funds would come out of to acquire the lids. The paper/plastic signs are to be removed.

Relay for Life Pictures: Misty showed pictures from Relay for Life. The Brandon team won first place for the campsite.

New Business:

By-Laws Committee: Need to update the specific responsibilities of the Chair and the Co-Chair.
**Ad-Hoc Committee Updates:** Denise did an update for the Health and Wellness Committee: Brandon Campus came in first for the walking program (second year in a row). There was a drawing for people who walked for 5 weeks and the winner was Patricia Huff. The top walker for the Brandon Campus was Michael Odu. The committee is trying to bring Weight Watchers to the Campus; however, it cannot be done without the participation of at least 20 people. The signup sheet is located BSSB break room and the Mailroom. This program can be opened up to people outside of the college although they would not be eligible for the possible subsidized registration. There are plans to start this program in September. After the IAC, the Wellness Committee will be having a meeting with the AFC (Association of Florida Colleges) about their planned summer picnic.

The Sustainability Council had no updates; however, Deb suggested that Dr. Stephen Perry can be invited to come to a CAC meeting. The Brandon CAC could have an Ad-Hoc Sustainability Committee to the Sustainability Council. Because participation in CAC is anticipated to be higher at the initial CAC meeting in the fall, a sub-committee could be formed at that time. Then, perhaps at a later time, form a sustainability chapter.

**New CAC Picture:** A temporary picture was taken and a new picture will be taken in the fall.

**Photos for Events:** It was mentioned that delegates could be in charge of taking pictures at events that CAC takes part in, such as the Earth Day Event.

**Updates:** Alessandro Anzalone discussed the Student Excellence Awards and reported that all went well.

**Adjournment:** IAC meeting to be held at Brandon Campus at 1:00 p.m. in BSSB Room 206/208. Meeting adjourned at 10:30 a.m.
