Each campus has a Library/LRC that provides materials to support the College curriculum. The collections include circulating and reference books, current periodicals, archived publications, indexes, and audio-visual programs. An on-line catalog (LINCC)
identifies both HCC and statewide library holdings. LINCC serves as the information gateway to indexes, specialty databases, and the Internet. In addition, many of LINCC’s services are available through the Internet to students with a valid HCC student identification card.

Each LRC houses an audio-visual laboratory, containing programs, compact discs, audio and videotapes, filmstrips and slides. Each Library/LRC maintains a reserve collection that includes materials identified by HCC instructors for students’ attention.

Campus librarians provide reference assistance and one-on-one instruction on locating information. Library/LRC hours vary by campus and are posted at each site.
