The Hillsborough Community College Foundation, Inc. is a private, not for profit, support organization which raises private funds to provide scholarships to HCC students and to provide general college support. Foundation scholarships are separate from HCC Institutional scholarships. Foundation scholarship recipients are selected by a committee of HCC Counselors/Advisors or HCC Program representatives.

The HCC Foundation Comprehensive Scholarship Application will serve as the comprehensive application for all HCC Foundation scholarships. Only one application is required, even if you are asking to be considered for multiple scholarships. Please complete pages 2-3 of this application and provide the additional documentation outlined below. Please understand that you may qualify for more than one scholarship, however, the HCC Foundation may award only one scholarship per person per academic year.

A listing of scholarship opportunities and related criteria can be found at the counseling office of your campus or online at: http://www.hccfl.edu/gwsc/foundation/scholarships.aspx. This application, additional instructions and FAQs are also available on the website.

**Important:** Students who seek assistance due to financial need must pursue federal and state aid for which they qualify and HCC Institutional scholarships. You are required to complete the FAFSA -- visit the financial aid website at http://www.hccfl.edu/ssem/financialaid.aspx to determine your eligibility for financial aid or contact the financial aid office at your campus or HCC Live (the self-help portal) from the HCC homepage for assistance.

**OTHER DOCUMENTATION OR INFORMATION THAT MUST BE PROVIDED WITH APPLICATION:**

1) **Submit a cover letter or essay with your application (1 page or less)**

   This should address your personal and educational goals, why you are applying for a scholarship and any additional information that would be helpful to the selection committee, such as your current situation, personal or family background and extracurricular or community activities.

2) **Identify the scholarships for which you qualify and wish to be considered.** Mark the appropriate scholarships on page 3 of the application. If scholarship criteria include qualifications not included on the application form, attach a document describing how you meet those scholarship-specific criteria and provide any required documentation. **Do not** mark scholarships for which you do not meet the criteria.

3) **HCC transcript.** Unofficial transcripts are acceptable (print from Hawknet). If you must provide transcripts from other colleges or universities or from high school, you must supply certified transcripts. Start early, these may take time.

4) **Letters of recommendation** (2) will be considered, but are not mandatory unless required for a specific scholarship for which you wish to be considered. If you include letters of recommendation, one should be from a teacher/professor and one from an adult who knows you well (not a relative).
