BCAC Chair: Nicole Bargeron
BCAC Co-Chair: Misty Vorder Bruegge

The BCAC for the 2009-2010 school year has fulfilled its commitment to Dr. Stephenson’s charge to the council. The BCAC members have shared information and sought input from their colleague and peers.

Our CAC has fulfilled council charge in the following ways:

- Create a supportive environment of allowing faculty, staff, and students to bring issues or concerns that need attention
- Dispense pertinent and updated information
- Create a culture that discusses changes within our institution
- Create a project to educate others about the recycling program on campus

BCAC met on the following dates throughout the 2009-2010 school year:

- September 4, 2009
- October 2, 2009
- November 6, 2009
- December 4, 2009
- February 5, 2010
- March 5, 2010
- April 9, 2010
- May 7, 2010

The BCAC mission for 2009-2010 school year was to increase communication and college wide engagement.

**Increased communication efforts consisted of the following:**

- Continued use BCAC flyers encouraging staff and faculty participation were distributed monthly.
- E-mails reminding staff to attend monthly meetings were sent out the week of the CAC meeting
- E-mails summarizing important information discussed in the BRCAC were sent to all Faculty and Staff after each meeting

Dr. Soto made almost every BCAC meeting to give campus updates on the following topics:

- Renovation Updates
- New entry way updates
- Budget updates
• Emergency Response phones
• Presidential Search Committee Updates

Richard Zaborosky, our facilities manager, attended Brandon CAC’s meeting frequently and discussed:

• Recycling on campus
• Landscaping updates
• Facility Updates

The following list consists of events, issues, and projects the BCAC had participation in or created change:

*United Way Campaign – (drawing of prizes for those who donated)
