The Bachelor of Science in Health Care Leadership (HCL) is an accelerated undergraduate program designed for working adults whose primary focus is health care. The HCL program is especially suited to those who wish to enhance career opportunities by developing proficiencies in management, supervision, leadership and education.

NATIONAL-LOUIS UNIVERSITY (NLU) offers students who complete an Associate of Arts (A.A.), Associate of Science (A.S.), or Associate of Applied Science (A.A.S.), the opportunity to complete a Bachelor of Science in Health Care Leadership (HCL) with full recognition of the Associate degree earned, except for degree programs in which more than 60 QH (40 SH) of technical credit is required. All required courses in the A.A., A.S. or A.A.S. degree will apply to the Bachelor’s degree. Students who do not complete the A.A., A.S. or A.A.S. degree will have all previous college work evaluated on a course-by-course basis.

UNIVERSITY ADMISSION REQUIREMENTS

- Application for admission
- Application fee (non-refundable)
- Official transcripts from all colleges and universities attended
- A cumulative GPA of 2.0 or better on a 4.0 scale on all previous coursework.
- Be licensed, registered or certified in a health care profession, or
- Employed in a health related field.
- Submit a list of at least two references that can verify education, work experience and character.

PROGRAM REGISTRATION REQUIREMENT

- Completion of a minimum of 60 SH (90 QH) is required in order to begin the HCL major.

ASSESSMENT REQUIREMENTS

- Writing and math assessments will be administered at the time of initial enrollment in the HCL major. These assessments are used for advising purposes.

REQUIREMENTS FOR THE HEALTH CARE LEADERSHIP (HCL) MAJOR: 48 QH (32 SH)

- All courses in the HCL Program must be completed at NLU.
- No courses are permitted to be transferred into the major.

The courses in the HCL major are designed to be completed in the following sequence at NLU:
ELECTIVES

The HCC Associate in Science and Associate in Applied Science degrees that provide good preparation for NLU's HCL program include but are not limited to:

- Biomedical Equipment Engineering Technology
- Dental Hygiene
- Emergency Medical Services
- Nuclear Medicine Technology
- Nuclear Medicine Technology
- Nursing
- Optical Management technology
- Opticianry
- Radiation Therapy
- Radiography
- Respiratory Care

The professional courses work constitutes the elective portion of the Health Care Leadership. The elective credit portion of the HCL degree is 48 semester/72 quarter hours.

Students are strongly encouraged to complete additional courses in: written communication, social and behavioral sciences, mathematics and natural sciences as elective credit.

GRADUATION REQUIREMENTS

To graduate with a bachelor's degree from National-Louis University, all students must successfully complete a minimum of 180 QH (120 SH) consisting of courses in general education, the program major, electives and any additional program requirements.
Term 1
LAS 331 Dynamics of Group Behavior 4 QH
AHG 300 Professional Writing in Health Care 4 QH
AHG 400 Overview of Health Care Delivery 4 QH

Term 2
AHE 430 Educational Delivery in Health Care 4 QH
AHE 431 Presentation Skills in Health Care 4 QH
AHE 432 Educational Assessment in Health Care 4 QH

Term 3
AHA 430 Human Resource Development for Health Care Supervisors 3 QH
AHA 431 Principles of Health Care Supervision 5 QH
AHA 432 Financial and Physical Resource Administration 4 QH

Term 4
AHA 440 Health Care Systems 5 QH
AHA 441 Health Care Planning and Evaluation 4 QH
AHA 442 Ethical and Legal Issues in Health Care 3 QH
