Arithmetic Refresher Course

Provided by a Title III Grant
Students who are placed into MAT 0012 on the CPT and feel they could have done better can enroll in this refresher course.
Successfully completing the refresher course will allow the student to re-take the CPT and potentially qualify for MAT 0024. This will propel them on their way toward college level courses.
HOW?

The student will sign up for the course (see sign-up instructions provided and pay $10) and upon successful completion of the course, the student will request a completion receipt from the course moderators, print out the reply and take it to the Testing Center as the “ticket” to re-take the CPT.
WHEN?

To take full advantage of this opportunity, the student should take and complete the course immediately. The goal is to be able to complete the course well in advance in order to register for the next semester’s class.
Steps to Register

Go to www.MyMathTest.com
Click on “Buy Now”. Click on “Purchasing online access” which is embedded in a sentence. Scroll down and Click on “I Accept”.
Select “No” for “Do you have a Pearson Education Account?”

Create a “Login Name” and “Password” then write it here:
Login Name: _______________________
Password: _______________________

Select “No” for “Do you have an Pearson Education Account?”
Create a “Login Name” and “Password” then write it here:
Login Name: _______________________
Password: _______________________

Complete the form. Select “United States” for the country. For “School Zip or Postal Code”, you MUST use 33676 and for School name, select “Refresher”. Click “Next.”
Complete the payment page as prompted.

Click on “Log In Now”. From now on you may log in as an “Established User” using your new Username (Login name) and password that you just created.
Click on “Log in”.

Click on “Enter MyMathTest”.

For Contact, select “Tina Fujita”, and for Program, select “Arithmetic Refresher Course”. Click on “Enroll”.
You may need to disable your pop-up blocker by selecting “Yes, Continue”.
Follow ALL directions on the Announcements Page. Please read very carefully!!!!
Once you have enrolled and installed all plug-ins, you will not need to complete this process again. In order to register for the upcoming semester, complete the course prior to the deadline to register without penalty (January 6, 2009). GOOD LUCK!!
If you have any questions/concerns with technical issues, please contact Technical Support at 1-800-677-6337.
Once you have successfully completed the course, please send an e-mail to tfujita@hccfl.edu or czavarella@hccfl.edu in order to receive your confirmation e-mail that will permit you to re-take the CPT.
