COURSE DESCRIPTION.

In this course a complete review of all phases of the DUI stop will be given. The student will learn the legal aspects of DUI enforcement including, but not limited to, Florida State Laws and case laws especially as they pertain to implied consent. A firm understanding of the procedures and requirements of testimony will be gained. Depositions and trials will be covered along with common legal terminology. The student will learn the proper introduction of video evidence. Practical exercises in both testimony and participation in the administrative hearing will be provided.

Course topics will include:

- Review of phase I, II, III of the DUI stop
- Admissibility of in car video evidence
- Legal issues and case laws
- Depositions and trial procedures
- DUI report writing
- The DUI Witness
- Practical deposition exercises
- Practical trial exercises
